

5-Day Jump Start in Dialectical Behavior Therapy[®]

Dates: May 18-22, 2020
Instructor: Shari Manning, Ph.D.
Location: Hilton Head, South Carolina

The 5-Day Jump Start in Dialectical Behavior Therapy[®] (Jump Start in DBT) is specifically designed to support practitioners in learning to deliver the evidence-based model of DBT. It will teach participants how to understand the treatment, how to conceptualize a case, and how to apply DBT in individual therapy, skills training, milieu- or telephone-based coaching, and in consultation teams. This training is principally designed to support existing teams in training new therapists (individual therapists, skills trainers, prescribers, coaches and case managers). The Jump Start in DBT may also be used as a refresher training for previously trained DBT therapists who are beginning the certification process for DBT Certified Individual Therapist (www.dbt-lbc.org).

The Jump Start in DBT curriculum emphasizes case-based learning (clinical examples) and experiential learning (role plays, exercises and homework) to support the individual and team in developing the capabilities necessary to complete [Certification as a DBT therapist*](#). Because DBT is a team-based treatment and anyone providing any mode of DBT is required to be on a consultation team, part of the training will include how to be an effective DBT consultation team member. The goal of this course is to develop effective practitioners and sustainable programs by training practitioners to expand teams or replace therapists on existing teams.

Master Class: Core Skills in DBT[®] - 16-hours on demand

Part One focuses on teaching the skills. Annie McCall will provide helpful tips for using the two skills training manuals (DBT Skills Training Manual, 2nd Edition and DBT Skills Training Handouts and Worksheets, 2nd Edition). She provides demonstrations, examples and practices for the skills as well as potential pitfalls in teaching the skills. This first 12 hours is practical material for anyone who will be teaching, coaching or utilizing skills with clients (individual psychotherapists, skills trainers, case managers, coaches, prescribers). The first 2 hours of the Part Two teach how to set up a group, get clients oriented to skills training group, explain the group guidelines/rules and how to assign homework. The second 2 hours demonstrates how to conduct homework review in skills training and how to treat behaviors that interfere with group as well as behaviors that threaten to destroy the group.

SPECIAL RATES

\$1250 per person includes:

5-days of training (29 ceus)

AND

a 6-month access pass to our
16-hour on demand course,

Master Class: Core Skills in DBT[®].

That's 45 hours of instruction!

EARLY REGISTRATION: \$1000/person
(by April 3, 2020)

SMALL GROUPS (2-4): \$1000/person

LARGE GROUPS (5+):
Contact Helen Best for pricing

Core Skills in DBT® will provide 16 hours that may be used toward the 40 hours of training required for DBT certification (www.dbt-lbc.org). Clinicians who have attended or plan to attend our 29-hour *5-Day Jump Start in Dialectical Behavior Therapy*® can use these 16 hours toward certification as well as a means to learn Skills Training that is not covered in detail in the Jump Start.

**Certification as a DBT therapist – please review www.dbt-lbc.org for more information on requirements for certification.*

1. COURSE DESCRIPTION

Dialectical Behavior Therapy (DBT, Linehan, 1993) is a comprehensive treatment that balances principles of acceptance (mindfulness) and change (behaviorism). It is a systematic cognitive-behavioral approach to working with individuals with severe dysfunctional behaviors, especially those with chronic patterns of emotion dysregulation and suicidal behavior. DBT has been applied to a wide array of populations including children and adolescents. Research supports its use to target suicidality, treatment drop out, hospitalization, behavioral dyscontrol, substance use disorders, eating disorders, treatment resistant depression in the elderly its application with highly dysregulated couples and families.

The Jump Start in DBT curriculum emphasizes case-based learning (clinical examples) and experiential learning (role plays, exercises and homework) to support the individual and team in developing the capabilities necessary to complete Certification as a DBT therapist. Because DBT is a team-based treatment and anyone providing any mode of DBT is required to be on a consultation team, part of the training will include how to be an effective DBT consultation teams.

Instructors will use PowerPoint presentations, case examples, handouts, role plays and practices to introduce concepts and provide opportunities to assimilate knowledge. There will be homework each evening of the training.

2. COURSE SCHEDULE

Light snacks will be provided throughout the day. Lunch is on your own.

Day 1	8:30 - 10:00	Introductions/Orientation Introduction to Mindfulness/Practice Dialectics and Dialectical Strategies Communication Strategies
	10:00 - 10:15am	Break
	10:15 - 11:45am	Case Management Strategies Biosocial Theory
	11:45 - 1:00pm	<i>Lunch (on your own)</i>
	1:00 - 2:30 pm	Biosocial Theory (cont) Structure of DBT: Research, Population and Modes
	2:30 - 2:45pm	Break

	2:45 - 4:15pm	Structure of DBT: Population and Modes (cont)
	4:15 - 4:30pm	Assumptions about Clients and Treatment Q&A, Evaluations
Day 2	8:30 - 10:00am	Mindfulness Homework Structure of DBT: Agreements, Stages and Targets Bringing a Client into Treatment (Pre-treatment) Break
	10:00 - 10:15am	Acceptance Strategies: Validation
	10:15 - 11:45am	<i>Lunch (on your own)</i>
	11:45 - 1:00pm	Structuring Individual Therapy Sessions
	1:00 - 2:30pm	Targeting with Diary Cards
	2:30 - 2:45pm	Break
	2:45 - 4:15pm	Change Strategies: Introduction to Behavioral Strategies
	4:15 - 4:30pm	Q&A, Evaluations
Day 3	8:30 - 10:00am	Mindfulness Homework Behavioral Assessment Introduction to Behavioral Chain Analysis Break
	10:00 - 10:15am	Behavioral Chain Analysis (continued)
	10:15 - 11:45am	<i>Lunch (on your own)</i>
	11:45 - 1:00pm	Behavioral Chain Analysis (conclusion)
	1:00 - 2:30pm	Missing Links Analysis Generating Hypotheses
	2:30 - 2:45pm	Break
	2:45 - 4:15pm	Introduction to Solutions Solution Analysis: Problem Solving
	4:15 - 4:30pm	Q&A, Evaluations
Day 4	8:30 - 10:00am	Mindfulness Homework / Missing Links Analysis Solution Analysis: Exposure Break
	10:00 - 10:15am	Solution Analysis: Skills and Coaching
	10:15 - 11:45am	<i>Lunch (on your own)</i>
	11:45 - 1:00pm	Solution Analysis: Cognitive Modification
	1:00 - 2:30pm	Solution Analysis: Contingency Management Behavioral Strategies: Orienting Didactic Commitment
	2:30 - 2:45pm	Break
	2:45 - 4:15pm	Suicide Assessment
	4:15 - 4:30pm	Q&A, Evaluations
Day 5	8:30 - 10:00am	Mindfulness Homework Suicide Interventions Treating Therapy Interfering and Destroying Behaviors Treating In-Session Dysfunctional Behaviors

10:00 - 10:15am	Break
10:15 - 11:45am	Secondary Targets Telephone Consultation
11:45 - 12:30pm	<i>Lunch (on your own)</i>
12:30 - 2:00pm	Consultation Team
2:00 - 2:30pm	Q&A, Evaluations

3. COURSE OBJECTIVES

Following this training, participants will be able to:

1. Lead Mindfulness Practice;
2. Explain the assumptions of clients and therapy in DBT;
3. Discuss the therapist and client agreements in DBT;
4. List the modes of DBT and their functions;
5. Describe the structure of DBT;
6. Begin conducting DBT treatment with an individual client;
7. Explain the biosocial theory in DBT;
8. List the tasks in the first four sessions (Pre-Treatment) of DBT;
9. List the levels of validation;
10. Create an agenda for an individual therapy session
11. List the targets in DBT;
12. Conduct a behavioral assessment to define problem behaviors;
13. Define the variables in a behavioral chain analysis (vulnerability factors, prompting event, links, problem behavior, consequences);
14. Conduct a behavioral analysis of problem behaviors;
15. Create a hypothesis with the controlling variables of a behavior;
16. Demonstrate contingency management with a client;
17. Utilize informal exposure with an individual client;
18. Describe the four modules of skills in DBT;
19. Explain the problem-solving strategies and how to use them;
20. Demonstrate commitment strategies with one client;
21. Conduct a suicide risk assessment;
22. Create an effective treatment plan to utilize the suicide protocol;
23. Describe the communication strategies in DBT;
24. Explain the case management strategies and how they are used;
25. List the dialectical strategies and when they should be implemented;
26. List the six secondary targets in DBT;
27. Describe the structure of an effective DBT consultation team;
28. Conduct consultation team.

4. WHO SHOULD ATTEND

Jump Start in DBT is designed for any practitioners new to DBT, those who wish to form joint teams and/or wish to work toward the training requirements for DBT Certification. For more information on the training requires for certification see: Eligibility Requirements under the Certification Tab/Clinician Certification Information at www.dbt-IBC.org. Please note that this the only official site for DBT Certification.

5. COURSE PREREQUISITES

It is expected that all participants have read the following books:

1. Linehan, M. M. (1993a). Cognitive Behavioral Treatment of Borderline Personality Disorder. New York: Guilford Press.
2. Linehan, M. M. (2015). DBT Skills Training Manual. New York: Guilford Press.
3. Linehan, M. M. (2015). DBT Skills Handouts and Worksheets. New York: Guilford Press.

6. TUITION & REGISTRATION

Regular Rate: \$1250 (USD) per person.

Early Rate: \$1000 (USD) per person (save \$250 per person).

To qualify for the early payment rate, tuition must be received in full by April 3, 2020.

Use code “EarlyJumpHH” at checkout.

Small Groups (2-4): \$1000 (USD) per person (save \$250 per person).

To qualify for the group payment rate, 2-4 individuals must register and pay in a single transaction.

Use code “GroupJumpHH” at checkout.

Large Groups (5+): If you have a group of 5+ please contact Helen Best (206-251-5134 or hbest@ticllc.org) for special rate.

Registration:

Register online at www.ticllc.org and click on Trainings & Events. Pay by credit card, PayPal or check. Checks payable to: Treatment Implementation Collaborative and mailed to: 6327 46th Avenue SW, Seattle, WA 98136. Payment is due by May 14, 2020. Registration is not guaranteed until full payment is received.

Refunds & Substitutions:

If you need to substitute a colleague to take your place or cancel a registration, please contact TIC at cbest@ticllc.org no later than April 30, 2020. We will refund your registration fees, minus \$75 (USD) – we understand that life happens when you are making other plans and we want to be accommodating. No substitutions or refunds will be made once the course begins.

7. PLANNING YOUR TRAVEL

Training Location:

The Yacht Club of Hilton Head, 99 Helmsman Way, Hilton Head, SC 29932

PLEASE DO NOT CONTACT THE YACHT CLUB FOR INFORMATION ON THIS TRAINING OR TRAVEL ARRANGEMENTS. CONTACT US FOR MORE INFORMATION.

Recommended Airport:

Hilton Head Airport - United, Delta, American Airlines

Ground Transportation:

Hilton Head does have Uber, Lyft, taxis and shuttles. However, past participants have said that they enjoyed the freedom to sight see that comes with a rental car.

Accommodations:

There are many options for hotels and condos on Hilton Head. It depends on if you want to be near the beach and how much you want to spend. The Yacht Club of HHI is at Palmetto Bay Marina. It's on the Broad Creek side of the island. The hotels and most condos and homes will be a couple of miles away. If you stay toward Palmetto Bay Road, and Pope Avenue as well as HWY 278, you'll be close to the Yacht Club. If you are going to stay on the beach, the Coligny Circle area or Shipyard Areas are very close. The island is only 13 miles long and 7 miles wide at its widest point, so everything is pretty close together.

8. CONTINUING EDUCATION

This course is 29 continuing education hours. 100% participation is required to receive any credit. No partial credit will be given for any reason.

Social Workers

This program is approved by the National Association of Social Workers (Approval #886610910-7545) for 29 continuing education contact hours.

National Certified Counselors

The 5 Day Jump Start in Dialectical Behavior Therapy has been approved by NBCC for NBCC credit. Treatment Implementation Collaborative, LLC is solely responsible for all aspects of the program. NBCC Approval No. SP-3357.

Psychologists

Treatment Implementation Collaborative, LLC (TIC) is approved by the American Psychological Association to sponsor continuing education for psychologists. TIC maintains responsibility for this program and its content.

APA credit will be provided upon completion of the course. 100% participation is required in order to receive any credit. No partial credit will be given. Record of your participation will be documented in on the sign-in and sign-out sheets.

9. INSTRUCTOR

Dr. Shari Manning is the Chief Executive Officer and one of the three founders of the Treatment Implementation Collaborative, LLC. She is also the founder of the South Carolina Center for Dialectical Behavior Therapy (now the SC Center for DBT, LLC), a private practice that offers standard outpatient and intensive DBT treatment for adults and adolescents. Dr. Manning has implemented DBT in outpatient community mental health, partial hospitalization programs, intensive outpatient programs and inpatient settings. She has supervised therapists at the Behavioral Research and Therapy Clinics at the University of Washington and the University of South Carolina as well as training and supervising therapists and programs at the SC Department of Mental Health and SC Department of Corrections. Dr. Manning consults extensively to state and private mental health programs, domestically and internationally, at all levels of client care, including forensic and criminal justice settings. Her research includes investigations of the efficacy of DBT with incarcerated women with borderline personality disorder (BPD) and with adult women with co-morbid BPD and eating disorders. Dr. Manning has written several published chapters and articles on DBT and its implementation. Her book for family members, *Loving Someone with Borderline Personality Disorder: How to Keep Out-of-Control Emotions from Destroying Your Relationship* was published in 2011 by Guilford Press.

Dr. Manning is a DBT Linehan Board of Certification-Board Certified Clinician and has been leading DBT consultation teams since 1993. She is currently working with consultation teams around the world to strengthen their team process.
