

**Date:** Tuesday, October 17, 2023  
**Course:** Neshanic Valley (R/M) - Blue - Rating 69.1 Slope   
**Weather:** Clouds and Sun 60s

The first group had all the low scores and except for George all the pots. Ed wins by 1 over Bruce who made a guest appearance. It was a nice fall day - alternating between jacket weather and shorts weather. Jim R earned another new nickname "mr. 9 degree" - On the 12th hole he exclaimed "I was fiddling around with the loft on my driver at the range and now I realize I forgot to change it back from 9 degrees" - you can't make this up. He had wondered why his drives were all low and he didn't have his "butter cut".
