

Village of Downers Grove
JOB OPPORTUNITY
Staff Development Engineer

The Village of Downers Grove is accepting applications for the position of Staff Development Engineer in the Community Development Department.

The Staff Development Engineer reviews and interprets residential and commercial stormwater development plans and permit submittals for regulatory compliance; completes site inspections to ensure compliance with approved plans and ordinances; and provides technical stormwater information to staff, residents and permit applicants. The successful candidate will demonstrate a passion for the work, a knowledge of stormwater regulations, a positive internal and external customer service attitude, adaptability and an ability to understand and balance competing priorities. The successful candidate must have the ability and desire to work in a fast-paced, high volume and demanding environment.

Minimum Qualifications: Bachelor's degree in civil engineering required. A minimum of four years of responsible civil engineering experience required. Registered Professional Engineer with the State of Illinois and Certification as a Floodplain Manager desirable but not required. Municipal experience preferred.

Salary: Current salary range: \$78,364 - \$107,750; starting salary depending on qualifications.

APPLY NOW! Interested applicants can apply online at <https://il-downersgrove.civicplushrms.com/careers/>

Position open until filled.

The Village of Downers Grove is an Equal Opportunity Employer. For more information, or for assistance, please contact the Human Resource Department at (630) 434-5500.
