

Dear Families,

We have some exciting news to share! A very generous, anonymous donor has given our school a special gift: a scholarship for one student to join our Symphonic Orchestra this year!! The scholarship will pay for music lessons and the rental of an instrument for the entire school year!

Playing an instrument is a wonderful opportunity. It helps students grow in discipline, focus, teamwork, and creativity. Music also makes learning fun while supporting success in other school subjects.

We recognize that the cost of lessons and instruments can be a barrier for some families. This scholarship has been created to open the door for a student who might not otherwise be able to participate in band. The student chosen will need to commit to practicing regularly, attending weekly lessons, and keeping up with schoolwork.

If your child is interested in this scholarship, please click [here](#) and complete the application by September 8th. If you have any questions, please contact Mrs. Thompson at principal@osss.org

We are grateful for this gift and look forward to seeing one of our students experience the joy of music this year.

Grace and Peace,
Mrs. Jennifer Thompson
