

Region 6

Merry Garrett

Good morning good afternoon or good evening. Whenever you sit down to read your rider please read it from cover to cover. Every region has something to share with the state

We had our all region meeting with host Region 10 and Region 6. We had several regions join us. Tim the RC of Region 10 and myself want to thank you all for coming. But special thank you to Dondi and Jim Rhoades for giving up their Saturday to share their knowledge with a bunch of great people. We even had some that aren't members but found out Abate is the place to be.

We had a lot to talk about at our meeting on March 8 but this newsletter is being turned over to our LO Cricket that is doing an amazing job getting things done and done quick. I want to thank him and Randy for manning our first swap meet. They sold bike tickets, signs and handed out all the info we have on SB1 and SB528. Keep on keeping on my friends. Now let me turn this page over to Cricket:::!!!

Let me introduce myself "Cricket" Legislative Officer for Region 6. By now we all know how important it is to get SB528 passed to keep a choice and not be shackled by the ignorance of the insurance companies and SB1. That by the way was passed while you were sleeping. SB528 was designed to allow motorcyclists the right to chooses our own medical coverage, in the event of an incident with an automobile. Now is the time to shine Region 6!!!

Call and/or email our regional representatives and senators. Politely express your concerns as just a concerned citizen, let them figure out later that you are a member of ABATE.

As the LO I would like to build a team within the region to get us to more coffee hours. We have four counties that we cover. Bay, Midland, Gladwin and Arenac it takes a village to raise a child, this is our child,
Have a great day,
Cricket 9894958755

Thanks Cricket!! this is great info for members that can't or don't come to our meetings.

We would love to have you join us

Our meeting for April will be Sunday April 5 at 1:00 due Easter on the 12th.

We are also doing the swap meet in Birch Run so come on down, buy a bike ticket, join us to pass out info and get the word out about our great state of Michigan Abate

Spring is here!!!! See you in the sunshine

Merry

RC Region 6
