

Eye of the Lord in Current Events

For those of you who have never prayed with this ministry or understand what we are about, this page may seem strange to you. It is an intercessory prayer page. Our Lord has an eye in prayer which we, as humans do not have, unless He gives it to us. This page, as it updates, will share items to pray for, which we may know nothing about yet.

For those of you who are **not Christian** and you landed on this page, click on the '**Who is Jesus**' button. That page will help you more than this page will. Click on the **Prayer Request/Contact Us** button and we can pray with and for you.

This month we have an incident which smacks of subterfuge and lies against President Trump. While I don't have the space to explain why, I can say that this whistleblower complaint has been doctored. After reading the transcript, one can easily see that the conversation had no quid pro quo evident within it. That is what makes the conversation total legal. Secondly, Joe Biden and his son committed what looks like criminal acts, at least on the surface. This was done during the 2016 election and from the conversation, it seems like a president (Trump) wanted this investigated. Obama asked a foreign entity to investigate Trump. Presidents do this kind of thing all the time. I encourage you to get a legal understanding of what high crimes, misdemeanors and acts treason are (impeachable offenses), and compare that to the normal workings of other presidents. Once you have that understanding, you can see Trump's conversation does not fit the bill. Thirdly, this "whistleblower" (so called) was not privy to the conversation, but overheard gleanings of it from others as they were talking to other people. You can't be a whistleblower if you didn't witness the thing for yourself. Next, he didn't write out or make the complaint himself. A lawyer did that. That is unheard of, and frankly smacks of a political operative maneuver. For these and other reasons, we are asking the Lord to uncover this situation and to expose those attempting to corrupt our vote.

After prayer in this matter, a trusted intercessor received this word from the Lord:

"Know that times are now being accelerated according to my will, not the enemy's will. The enemy is panicking right now. That is why so many extremes are coming up from him. He certainly overplays his hand. Watch what I do with those in Washington, DC, that oppose my President that I emplaced* for the good of America. Watch how they will be even more overwrought and panicked in how they show themselves. My light is revealing darkness, and darkness is finding

nowhere to hide. It is as a terrified, angry creature that is cornered, finding it has run out of options to hide itself and its evil. Much hissing and growling, but I will have the final say to see this creature captured to my will. Pray, child, for your country is yet meant to carry my light in a far greater way than has been seen, despite much darkness trying to extinguish my light, my truth, in the rest of the world. I WILL have my chosen moving across this planet to reveal MY authority. I have the final word. Your president will be re-elected despite the storm against him. Speak to the storm— even as I did— and together we will get to the other side.”

After reading it, you can see the obvious instruction to speak to the storm. So this is how we will pray. We would ask that you join us in this instruction from our Lord. (*I thought the definition of the word *emplace* was striking: a structure on or in which something is firmly placed. A platform or defended position where a gun is placed for firing. In geology, the process or state of setting something in place or being set in place.) We feel the need to continue to pray for President Trump as well as for the 2020 elections, and for righteous republicans to take back the House. Prayerfully, this will convince the democrats to stop their socialistic ways. At least we can pray for them to do so.

We also continue to pray as Brother Sadhu Sundar Selvaraj exhorted the church to pray for President Trump and our country on three levels:

1. For the President’s protection. That those who have his ear are speaking only the will of the Lord.
2. That the Lord would send ministering angels into the halls of Capitol Hill to speak to the Congressman and Senators only the will of the Lord and to cast out all enemy forces whispering in their ears what is not God’s will.
3. That these three buildings: The White House, The Capitol Building and The Supreme Court Building would be cleansed of the unclean spiritual forces which have infected them.

Our brother from India has updated prayer for President Trump:

1. Pray for the President to be delivered from evil (Matthew 6:13) and from the schemes of wicked and unreasonable men (2 Thessalonians 3:2).
2. Stand in faith, resisting powers and principalities, as you pray in the Spirit and release biblical decrees of God’s word (Psalm 24).
3. Pray for President Trump to fulfill his calling as a Cyrus and Jehu (Isaiah 44-45 and 2 Kings 9-10).*

*On Item Number 3 of the previous list, we would add that our president would fulfill his call of Nehemiah, to build the wall. (To see that article, click on the Archives Tab on the Home Page and scroll to the April 2017 article.) We have been interceding for our nation and our president: for his success and protection from those wishing to harm him and those wishing to impeach him. These types of corrupt practices go to the heart of breaking the bonds of brotherhood and law which formed the nation.

We would also ask that you pray for our president's wisdom in dealing with other hostile nations around the world. Some of their hostility is in stealing our technology, or attempting to infiltrate our infrastructure. Some are just trying to steal money as a result of trade. Some are sending people here illegally to steal and cause havoc. Some are acting in very threatening ways militarily, as we see Russia doing with the Ukraine. (If you do the research, you can find many ways the Russian and Chinese military do so, as a few examples.) President Trump and his team need information from the throne of God in dealing with these threats. Please pray for his and his Administration's guidance in this, as well as other areas which affect our sovereignty as a nation.

Please pray for our men and women in uniform as they serve this country and serve the American people in order to protect us. Like Joshua of old, we pray so that they are successful in what they do to accomplish their task of protection. Their success is our success. We also pray for their salvation. We pray locally for our police, fire and emergency folks. We also pray locally for our respective governments and elected officials to follow the will of Our Lord in the policies they implement and the work they do on behalf of the people they serve. If you feel led, please pray for your own local government.

We have two additional prayer requests this month. One is for the body of Christ. In America, the body of Christ must go forth into the streets to bring in the lost. We need the funds to do this, as well as believers to be raised up to do this. Not any one, single church can do this alone. We all need to do this where we live and to whatever extent we can. Your "street" may be your neighbor next door, or may be one of your relatives. Whomever that is, share Jesus in whatever way the Holy Spirit leads you to do so. The second prayer is for the exposure of all those who wish to commit violent acts, to the proper authorities so they can be stopped and captured beforehand. As Christians we do not understand their hatred, but we ask that if they desire to cross the line and harm people, that they are exposed for capture before they get the opportunity to do so.

Many folks do not realize that there can be prices to pay as we leave the protective

covering of our Lord Jesus, as a nation. It is up to us, as believers to pray for our environments. We also ask that you lift up the persecuted church so she may go forth in power and anointing to share the Gospel message and heal those she witnesses to in her environment. Please also pray for other persecuted peoples, like Israel. We consistently pray for all of our leaders to help our other covenant people of the Bible: Israel. There is no other city on the planet that the Lord names specifically to pray for. We pray for the peace of Jerusalem.

If you need prayer, there are several ways to contact us: either through Facebook, Twitter, or directly by hitting the contact button on this site. You can post to our page without “Liking” us or hit the “Like” button and we may put your comments on the Ministry’s Page for everyone else to pray for you as well. If you do not want your prayer requests known to others, except those inside the ministry, please place the word PRIVATE on your Facebook post. We will delete it, and pray privately as a ministry. Otherwise, any prayer request sent via the CONTACT button on this site remains private. For those who have requested prayer in the past, we continue to pray for you and your needs. We will continue to pray, unless you let us know otherwise.
