MailOne 2.0

MAILROOM ACCOUNTING AND REPORTING FOR YOUR POSTBASE MADE EASY

Discounts, ease-of-use, and 24/7 tracking make FP's MailOne 2.0 software program the only cost-effective and versatile solution for your unique mailroom needs. Easily integrates with your FP PostBase Mailing System making your mailroom more efficient than ever.

KEY ADVANTAGES

ACCURATELY RECORD, ANALYZE, & REPORT MAILROOM EXPENSES

Your mail is processed, tracked, and saved so all the details are ready for on-the-spot reporting.

▶ Capture every detail with 3-Tier Postal Accounting

▶ Record each mail piece as an individual transaction

▶ Add handling charges per account to bill back clients

▶ Customize the PC imports/exports to fit your needs

CONVENIENT ALL-IN-ONE SHIPPING LABEL

MailOne 2.0 saves you the hassle of printing out multiple labels for outgoing packages. A 4" x 6" shipping label including postage, electronic confirmation barcode, and shipping and return address is now available, saving you money on extra labels!

INSTANTLY ACCESS USPS® COMMERCIAL-BASE PRICING (CBP) DISCOUNTS

MailOne 2.0 automatically prints CBP postage through the FP meter and uploads the data to the USPS®. So sending just 2 Express Mail® pieces per day would save you over $2,202 per year vs. USPS® retail rates*, or over $5,595 per year vs. UPS/FedEx*.

Based on 1 lb. Express Mail® and Retail UPS/FedEx Residential Next Day Air Saver: Zone 5

AUTOMATICALLY PROCESS USPS® ELECTRONIC CONFIRMATION SERVICES

MailOne 2.0 saves you money by using electronic Confirm® Services. Just select Delivery Confirmation™ or Signature Confirmation™ while processing First Class Parcels, Priority Mail and Express Mail. By processing electronically, Delivery Confirmation™ is FREE, saving you $0.90 on each mail piece you process with MailOne 2.0. Signature Confirmation™ is only $2.20, saving you $0.50 on each mail piece you process with MailOne 2.0.

▶ MailOne seamlessly communicates with the USPS® to upload/download Confirmation Services data

▶ Automatically generate Confirmation Barcodes on a 4"x 6" label

▶ Receive live USPS® delivery status updates anytime

▶ Easily lookup old transactions & verify delivery dates

▶ Reprint barcoded labels without reprinting postage

### PROCESS AND TRACK E-CERTIFIED MAIL AND E-RETURN RECEIPT

MailOne 2.0 allows you to process and track Electronic Certified® and Electronic Return Receipt directly from MailOne 2.0 and save $1.30 per Return Receipt.
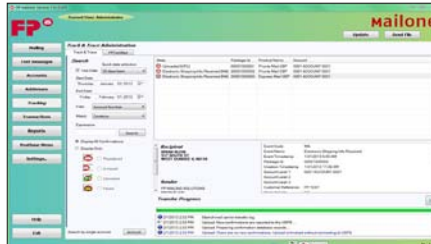

SPECIAL FEATURES

ACCOUNT REPORTS/EXPORTS

▶ Over 30 USPS® Product & Account Reporting
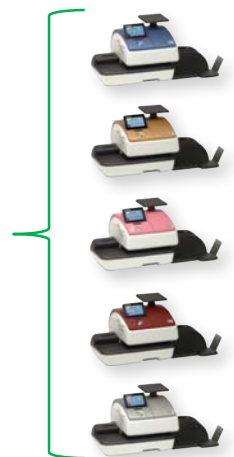

▶ Simple .csv export feature

▶ User defined profiles

ONLINE USPS TRACKING

▶ Versatile transaction lookup/search feature

▶ Automatic daily/hourly upload to USPS®
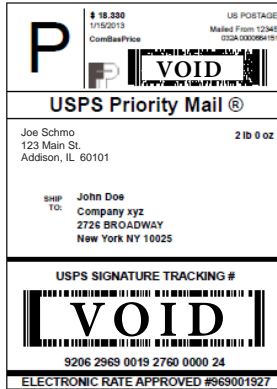

▶ Simple icon-based status update

INTEGRATES WITH POSTBASE

PRODUCT OVERVIEW

SHIPPING LABEL WITH INTEGRATED POSTAGE

Process 4" x 6" shipping labels with the postage amount printed directly on the label. Also included: shipping and return address and USPS® electronic confirmation barcodes. No need to print two labels!
