Any donation helps and you can direct it to what you would like the money to go to whether it's for a player, a team, or just for SVA to be able to provide more opportunities for kids, etc. Every dollar truly helps.

There are other ways to help us create a fun exciting opportunity and you don't even have to be a Business Sponsor.

Donate just to Donate:

Donate use equipment that still has some life left and needs a new home or cleats, knee pads, shin guards, soccer socks, etc. Anything that can help someone who may need equipment.

All funding and equipment can help us build more toward the future for all kids. We enjoy giving different opportunities for kids to be active, learn and have fun throughout the year.
