## Welcome to the Starstruck Newsletter

Vision ~ Mission ~ Values FOCUS

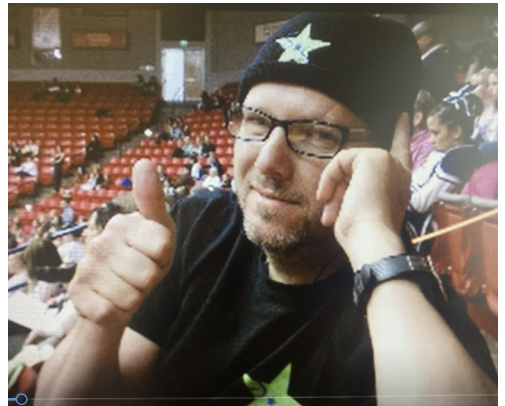

### April ~ FUN

We are living proof that serious dedication, hard work and commitment can be FUN!

### \* QUICK LOOK \*

- Company Teams wear ALL BLACK to dance/tumbling classes.
- Wear appropriate Dance & Tumbling clothes to classes. No PJs.
- Stay hydrated. Bring your own waterbottle and use refill station in the back area by cubbies.
- Clean up after yourself. Snacks cleaned up and garbage put in the trash cans.
- Dress for the weather and protect your muscles. This includes covering your feet too. We see lots of bare feet and bare legs. Bring a coat and sweats to pull on over your dance and tumbling attire.

## MOVING UPDATE

**NEW SPACE UPDATE** \*\*Just a reminder that we will be moving into a new space. The move date has NOT been set and we will CONTINUE class at our existing Clearfield building until the new space is finalized.

The new building will be in close to our existing studio and please know we will continue to offer you the same great service you've come to expect.

Our studio family is growing and we want to expand our space to give more opportunities for joining classes. Some of you have probably already experienced a full class or not able to get into the class that you want because it is already FULL. Our new space will allow the option to offer more classes, more days, more times AND give us more space for all our Starstruck friends and family. Our Clearfield space is guaranteed for the entire season (Thru Summer Classes/Camps June 2023) and we will continue to offer classes as we transition into our new space.

Again, the move date has not been set and we will keep you posted as we make these last few transition details.

## Reminders:

- ◆ Please remind your children to NOT run out into the parking lot to meet you. Please pull up along the side of the studio sidewalk to pick up your children or park and walk in.
- ◆ Please encourage your children to bundle up in the evenings when leaving the studio. Keep your muscles protected from the chill after a hard workout in classes. A quick sweatshirt and some pull-on sweats will do the trick.
- ◆ Street shoes are NOT allowed on the dance floors. If you are in a Hip Hop Class that requires you to wear Tennis Shoes, please be sure to bring a CLEAN pair that is not full of rocks and debris from the weather and outdoor elements.
- ◆ Please pick up your students on time.
- ◆ **Please do not drop off more than 10 minutes early.** Remind your students to wait in the front lobby until their class time. This includes all Tumbling classes. We will not have a staff member in the Tumbling Room to monitor wild activities prior to classes.
