JOIN THE HAWTHORNE PTA!

At Hawthorne Scholastic Academy, we are lucky to have a committed and engaged community of families and educators always interested in helping to support our children. Joining HSA's Parent Teacher Association is an easy way to help, and you're invited!

Joining is easy. An annual donation of \$20 per family and \$10 for teachers/staff pays our Illinois PTA dues and keeps the Hawthorne PTA functioning. Increasing our membership, even by one, helps ensure the PTA can continue to provide funding for a wide range of expenses, programs and community-building events.

Joining is commitment free. No meetings or volunteer duties required! The PTA offers plenty of volunteer opportunities, shares ideas at monthly meetings and distributes a weekly newsletter. YOU choose how or if to participate.

Joining makes an impact. Scan the QR code to visit the Membership page, learn all about what the PTA accomplishes with your support and check out membership perks!
