PHILOSOPHY:

Hello, my name is Kathi Remus and I previously owned a licensed daycare for 20 years and have been in the child care field for 31 years. I have four children from 17 to 31 years old. PROGRAM POLICIES

CHILD RELEASE POLICY / ARRIVAL & DEPARTURE:

Upon arrival for morning care at any given location, please message to "staff & admins" on your Brightwheel app and alert them of your arrival. **Do not message before you've arrived in the parking lot**, as we do not have a morning greeter. This message acts as your check-in. Your child is not and will not be checked in without this message. Please wait until you have visually watched your child enter the building with a S.T.A.R.S. Staff Member before exiting the parking lot. If this policy is not adhered to, write ups will be issued which could result in termination of services, as your child's safety is our first

priority and non-negotiable. **In the event that a child is left unattended by a drop off persons, this will result in immediate removal from our program.**

***Due to driveline procedures, student check-in ends at 7:50 a.m.**

For afternoon pick up, please see our door greeter and use our kiosk to enter your personal 4 digit pick-up code and follow the prompts, when finished the screen will turn green and say “success” (please show staff for confirmation). Now your child has successfully been checked out and will be released. In the event that an approved pick-up persons is picking up your child and does not have the Brightwheel app, they will need to provide the secure pick up code for your student. If they do not know/have the code, your student will not be released until it is obtained and verified by a parent and staff member.

CUSTODY:

Unless we receive court papers stating that you have been granted temporary or permanent custody, we have no legal authority to tell either parent that he/she can't pick up their child. You must have court papers to override this policy. We will need a photo copy of the court order with the court's signature. Please make sure we have these papers in your child's file. *Please make sure you tell the director if there is someone that is restricted from picking up your child.

DRESS CODE:

All children are required to stay in their uniforms, unless it is a school authorized Spirit Day, dress down day or they are participating in an after school class/club/sport. Please send appropriate outdoor wear; hats, gloves, boots, rain wear, etc. This is to make sure every child is prepared should we have an outdoor activity. We are not responsible for any child not appropriately dressed.

Sick children will not be accepted into our child care program. If your child has a temperature of 100.3+ F or any visible sick symptoms, they will be denied care. If your child is sent home on Monday because they were ill, they will not be able to return for at least 24 hours. Please do not bring your child back before Wednesday or they will not be permitted to stay. The following illness policies will be strictly enforced, for the health, well being and safety of all concerned.

Examples of associated symptoms include, but are not limited to:

This benefits and protects your child and the other children. We appreciate your cooperation with our sick policy!

Parents of a child with a diagnosed contagious condition (measles, head lice, pink eye, mumps, chicken pox, etc.) are asked to notify a S.T.A.R.S. employee as soon as possible so that we may alert parents to watch for symptoms in their own children.

COVID: If we have a confirmed case of COVID amongst staff or students, we will determine if the best course of action is to send home the S.T.A.R.S. class or all students enrolled in the effected group. We will properly sanitize and clear all areas that were visited by the infected person before allowing staff or students to reenter. S.T.A.R.S. will adhere by current CDC recommendations and protocols.

MEDICATION:

If your child is on medication and it needs to be taken while he/she is in childcare, the medicine must be in the original container and labeled with the child's name, doctor's name, name of medication, dosage, and when to be taken. If medication is to be taken only twice a day, i.e. (morning & night) then it will need to be done at home. S.T.A.R.S. will not administer medication until it has been given by the parent/guardian for at least 24 hours. If a child is going to have an allergic reaction to the medication it should happen in those first 24 hours sometimes up to 48 hours. If your child refuses to take medication, S.T.A.R.S will not force them to take it.

All prescription & non-prescription medicine must have a medication authorization form filled out and be approved by the director.

Minor cuts and bruises suffered while at S.T.A.R.S. will receive proper care -- they will be washed with soap and warm water and properly bandaged. You will receive notification upon arrival.

If a serious accident should occur you will be contacted immediately for instructions; unless this would endanger your child's life. In that case S.T.A.R.S. will take necessary steps such as; calling the hospital, doctor, 911 etc. All injuries need to be documented. You will be provided with an injury report.

CHILDREN WITH SPECIAL NEEDS:

S.T.A.R.S. will work with any special needs child in accordance with their IEP through the State of Michigan. A copy of your child's IEP must be provided to us to provide the

best possible care for your child. I give my permission for the owner/director of S.T.A.R.S to communicate with Canton Charter's administration concerning my child. The communication will be focused around the success of my child(ren) should my child have an active Individual Assessment Plan (IEP), pertinent information can be shared. I understand that S.T.A.R.S. is not financially responsible to provide my child with a paraprofessional should he/she require one in the program.

An additional form will be emailed to the parents requesting a signature upon the notification that their child has an IEP.

*Please email starspayments@gmail.com to request an IEP signature form.

Two weeks written notice is required to withdraw your child from care. Notice cannot be given on Monday for that week. Notice must be given by Friday for the two week notice to begin that following Monday, as it is a full two week pay period. An

unpaid break (Spring Break or Winter Break) cannot apply towards your notice. If you do not wish to bring your child, payment is still due.

In the event that a student is expelled from our program, a refund will not be issued for the current week of the expulsion.

SUSPECTED CHILD ABUSE:

Michigan Child Protection Law requires mandated reporters who have reasonable cause to suspect child abuse or neglect to make an immediate oral report to the Michigan Department of Health and Human Services (MDHHS) – Centralized Intake (855-444-3911), followed by a written report within 72 hour.

DISCIPLINE POLICY:

At S.T.A.R.S., we will minimize the need for discipline by providing an eclectic schedule of creative and educational activities. As the need for discipline occurs we will handle it in the following manner:

First occurrence: Verbal warning

Second occurrence: 5 minute timeout

Third occurrence: Director/parent notification & separation from the class

Fourth occurrence: Write-up and parent called to pick up child

If your child begins receiving warnings on a regular basis they will be given a corrective action plan. A corrective action plan is an individual plan that assesses your child's negative behaviors and provides a disciplinary measure for each occurrence. If your child requires a corrective action plan we will have a meeting between the Director, caregiver, child and parent to discuss the terms of their individual plan. If the corrective action plan is not followed, your child may be suspended from care. Multiple suspensions may result in expulsion from the program. If there are any areas your child has trouble with, please let us know so we can work together to establish a solution. Under NO CIRCUMSTANCES will there be any corporal punishment used such as spanking, physical abuse, verbal abuse, name-calling or isolation.

- If your child is having discipline issues at Canton Charter during school hours they must be back to class by 2:45 p.m. and showing no signs of behavior issues such as physical violence or verbal defiance. Children must be ready to cooperate with S.T.A.R.S. teachers and activities.
- In the event that children become out of control during S.T.A.R.S. we will call the parent to pick them up. If they are not picked up within 30 minutes of the placed call, a 1 day suspension will be put in place for the following day (payment is still expected).

FIRE:

In the event of a fire, we would evacuate the school immediately and gather together outside. This will be practiced at least once a quarter so the children are familiar with this procedure.
