

BETH JUDAH TEMPLE

HIGH HOLY DAYS 5785/2024

Beth Judah Temple has been serving Cape May County for over 110 years.

As we near the most holy and awesome time of the year, we are filled with longing for the power of coming together as a community to connect with friends, family, and fellow Jews to pray and worship together.

Beth Judah Temple and Rabbi Ron Isaacs invites you to experience the Holidays with our congregation in our beautiful and historic Sanctuary. These sacred days begin with Rosh Hashanah at sunset on Wednesday, October 2nd.

To again ensure the safety of our entire community while providing for communal celebration, we will issue advance tickets to members attending, and to all guests who would like to join our service in person. We also provide the option to join our services via Facebook livestream. Beth Judah Temple does not charge a fee for tickets, but we do require advance registration. A registration form is available from the temple office, or online on our website at www.bethjudahtemple.org. You can also request this form by emailing us at bethjudahtemple@yahoo.com.
