

We are so excited to bring you this update! God has blessed our summer in a mighty way. Fernwood had five weeks of camp this year with almost 200 youth in attendance! But first, let's go back before camp. At the beginning of June, we had a garage sale fundraiser. Many churches in our area donated items to the sale to help raise funds for our "Fernwood Glow Up" project. With the raised funds (\$1,700), we could put three new showers in the boys' bathrooms and give them a much-needed update! The bathrooms also received brand-new toilets for both the girls and the boys! We know it may seem simple, but they were a huge blessing for us. We are very grateful for those willing to give up their time and money. Because people are eager to do so, we can see what God can do when we get out of the way and let Him work. Right before our programs started, I was given the opportunity to speak at one of our supporting churches (Hacker Valley Baptist), Vacation Bible School. It was a tremendous week, and the church surprised us by giving us the coin competition offers! We have some of the best-supporting churches!

Not only did we run the most weeks consecutively ever (as far as we know), we saw the most salvations happen during this time! We are thrilled to inform you that 23 young souls gave their lives to the Lord during camp! Countless other decisions were made, and many lives were impacted for Christ! We are so overwhelmed by the goodness of God and those who have helped us so we can do this. We had Park Gate Baptist Church (a very supportive church) graciously run our kitchen and supply everything we might have needed. We also had countless donations for our kitchen and snack shop. The spirit was great this year, and we can't thank those of you who prayed for that enough. We are thankful for the fruit added to your accounts! Our family is doing well and we are almost recovered from the summer! Emmett turned five this June and Elliott is nearly three years old! Time sure does fly when you are having fun. Please pray with us and for us as we move forward with many things on the horizon and as we look to fill the calendar for the rest of the year and into the next to present the camp, preach special meetings, and fill pulpits. We still have a few things coming up for the camp this year, including a youth rally on October 28th. Our next project is to remodel the kitchen. Because so many churches have helped donate towards camp needs for the program, we are able to use some funds to complete this project. We are grateful and humbled and excited to see what God will do next. Thank you for all of the prayers and financial gifts.

BECAUSE OF CHRIST,
The Noseworthy Family
