

Shared Beat 2012 ANNUAL REPORT

Shared Beat is a 501 (c)(3) volunteer organization. Our mission is to empower children and their families through health and wellness care and education so they can achieve self reliance and a positive future.

SHARED BEAT FRIENDS,

Thanks to your **actions** of support in 2012, Shared Beat provided the following services in the communities we serve:

MEDICAL PROGRAM

Shared Beat operates a full-time clinic at Camino Seguro in Guatemala City reaching 100 patients per week. Clinic support includes year-round medications and supplies, a full-time nurse-Claudia Yol, a part-time physician- Wuelington Cabrera, and a full-time Health Coordinator- Ellen Renfroe. Throughout the year, an Emergency fund is available for Camino Seguro students to receive care.

In bi-annual Medical Outreach clinics, 51 Shared Beat volunteers from 9 states & Guatemala cared for 2347 people, providing 1827 prescriptions.

SCHOLARSHIP PROGRAM

Ten students received healthcare scholarships from Shared Beat. Two rural scholarship students, Lydia Pichyá Plato & Claudia Boj Subujuy accomplished their goal of becoming nurses! Lydia is now works at the Roosevelt public hospital in Guatemala City. Claudia is deciding whether to continue her studies or get a job.

In 2013, nine students will receive healthcare scholarships. Sarah Scofield Garza will be our new Scholarship Program Director. You can e-mail Sarah at scholarship@sharedbeat.org

EDUCATION PROGRAM

Shared Beat provided support for a full-time Health Educator for 600 students, 550 children and 50 adults, in the Guatemala City dump project of Camino Seguro.

One real success was realized when Maira Mellina Gonzalez Cosajay, a Scholarship student was hired to teach health to Adult Literacy students and assist the nurse in the Camino Seguro clinic. Maira, a promising student and mother, was in danger of dropping out of school to support her family. She was making 28 cents an hour in her 72 hour a week factory job. Shared Beat was able to hire Maira 15 hours a week so she could stay in school. In 2013 Maira will be working 30 hours a week teaching and assisting in the clinic.

VITAMIN & PARASITE PREVENTION PROGRAM

Daily vitamins reached 4800 children, pregnant women and seniors in 22 Guatemalan communities. Bi-annual parasite prevention was provided for 4600 children & adults.

VISION PROGRAM

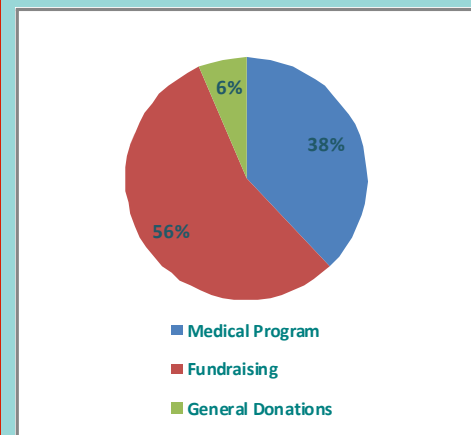

650 students received annual vision screens. Prescription & reading glasses were provided for 184 students and adults.

VOLUNTEER PROGRAM

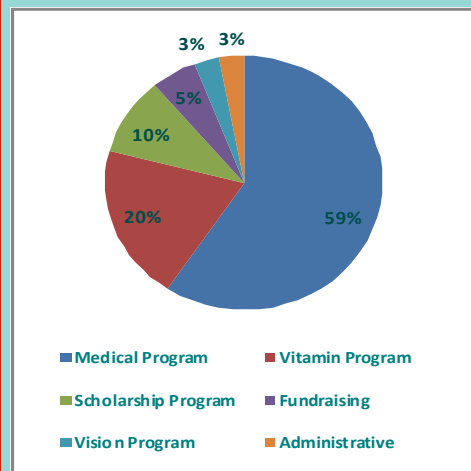

In 2012, Shared Beat Volunteers donated over **8000 hours!** In 2013, Kathy Rogers will take on the role of volunteer coordinator. You can e-mail Kathy at volunteer@sharedbeat.org.

We appreciate everything you do to make our work possible! We make a great team! All the best in 2013!

INCOME \$118,850

EXPENDITURES \$114,600

**SAVE THE DATE
CRAWFISH BOIL 2013
APRIL 20TH!**

Crawfish Boil 2012 Grossed \$50,000!
