

LEARN THE RACING RULES OF SAILING

*The monthly **Racing Rules of Sailing Seminars**, held on the fourth Tuesday of each month, are postponed for the near future. We'll meet again once SDYC is open and group gatherings are allowed. Until then, be safe and well.*

In the meantime, the Royal Yachting Association is launching a six-week series of free Racing Rules webinars!

RYA launches racing rules webinars:

The RYA will host a series of free webinars for racing sailors and aspiring race officials to introduce and explain the racing rules of sailing.

The webinars are scheduled from **1200 – 1300 PDT every Wednesday beginning April 29.**

Each webinar will aim to be interactive, giving you the opportunity to get your questions answered, and will also be recorded for those who can't make the initial screening. No camera or microphone is required to join - you can simply relax, view the slides and listen to the presenter as they explain each rule, and how they apply to real life scenarios. If you tune in live there will be the opportunity to ask the presenter your questions.

Go to the RYA webinar page and sign up to attend:
