Dear Sir or Madame:

Enclosed find checks totally \$900, which are all contributions in honor of CSM Robert Nelson, USA (Ret) who recently died in Anchorage.

Bob had a long and distinguished career in the US Army. After moving to Alaska he continued contributing to veterans as a counselor with the VA Counseling Center and in other memorable ways.

We understand he also played a role in founding your organization some years ago.

His family asked that in lieu of flowers at the funeral that contributions be made to your organization, which he helped found many years ago.

We are all veterans, most serving in military uniform, others through other fine American institutions.

Each check has the address of the contributor on it, if your policy is to send a thank you note to each person.

The checks are from
Ernest Altman
Joseph Ciokon
Forrest Brandt [via Robert Morecook]
Preston Cluff
Dick Ellis
Ron Hesketh

Michael Miller

Yours truly,
