*Bring lasting relief to your clients
with myofascial neck & head pain*

Gain practical understanding of how to apply Travell & Simons' proven Trigger Point Therapy techniques to relieve myofascial pain

- Identify the muscles that can harbor trigger points in the neck
- Discover easier ways to relieve pain with trigger point release, myofascial manipulation, neuromuscular massage & perpetuating factor corrections
- Practice & receive an effective 5-step treatment sequence for the 5-step treatment sequence for the Trapezius, SCM, Splenius, Posterior Cervicals & Suboccipital muscles
- Improve your communication skills with clients and upgrade your intake accuracy

"Connect the Dots" between posture, neck & head pain

- Develop your detective skills to assess & re-educate your client on key behavioral & postural factors that perpetuate neck pain
- Discover the hidden links between sleep position & neck & shoulder pain
- Apply the Connect the Dots system to determine the biomechanical factors of common cervical problems: Lower Limb Length Inequality, Small Hemipelvis & Short Upper Arms
- Differentiate various headache patterns by accessing different layers of the posterior cervical muscles
