Dear Prospective Sponsor,

I hope this letter finds you well. My name is Jennifer Thompson, and I am the Principal at Our Lady Star of the Sea (OLSS) School. We are proud to provide a high-quality Catholic education to students from Pre-Kindergarten through 8th grade. Established in 1933, OLSS is the longest-operating private school in Calvert County, known for its commitment to faith-based education. Our school fosters a nurturing and family-oriented environment, where students, staff, and families form a supportive and caring community.

One of our key goals at OLSS is to build strong partnerships with local businesses and individuals who share a common interest in the growth of community participation. This spring, we are hosting two major fundraising events to support our Building Renovations Campaign: the "Seahawk Scramble" on April 25th and our Annual Fun Run on May 23rd.

We are reaching out to local businesses to help offset the costs of these events. As part of the Fun Run, we would like to provide each student with a T-shirt to wear during the event. As a private, not-for-profit 501(c)(3) organization, we rely on community support to ensure the success of these initiatives. Your sponsorship will not only help us execute these events successfully but also show the children and their families that our local businesses are invested in their education and well-being. Furthermore, your contribution will enable us to make necessary upgrades to our school facility.

Our goal for these events is to raise \$30,000 in total. We would be incredibly grateful if your business could help us achieve this target and support our school's mission. Please review the attached sponsorship opportunities for more information on how you can get involved.

Thank you for considering this opportunity to make a meaningful impact on the lives of our students. If you have any questions or would like to discuss sponsorship further, please feel free to contact me at principal@olsss.org.

Grace and Peace,

*Grace and Peace,
Mrs. Jennifer Thompson*
