Williamson County Emergency Services District #2

CREDIT CARD POLICY

Williamson County ESD #2 is authorized to obtain a credit card for the sole and exclusive use of facilitating financial transactions of the District.

Credit card charges are permitted only for authorized District business. No personal or non-District entity expenses may be charged to the card even if such charges are later reimbursed.

Those authorized to use the credit card are the members of the Williamson County ESD #2 Board of Commissioners. Authorization to use the card automatically ceases immediately once a person listed on the credit card agreement no longer holds the office of Board Commissioner.

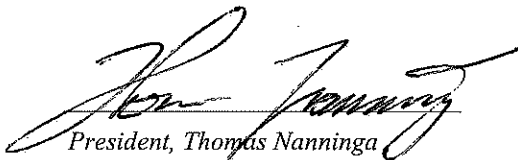

Charges to the credit card are permitted only for expenditures already approved in the District's adopted budget. An explanatory receipt must be obtained for each charge, be signed by the person who authorized the charge, and attached to the card's billing statement.

The credit card is to be stored in the ESD office. The card may be removed only when required for use outside the office and is to be returned promptly after that use.

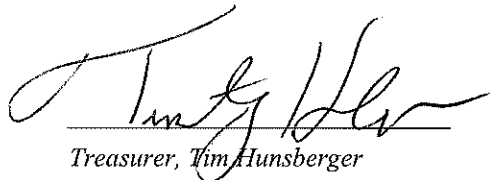

District officials are to make every effort to pay credit card balances in full by the due date.

Authorized use of the card is automatically cancelled for any person the District finds to have violated this policy.

A copy of the current Williamson County ESD #2 Credit Card Policy is to be included as part of the financial report each time such a report is presented as a District agenda item.
