

To me natural landscaping incorporates these characteristics:

Fluid	Flowing	Sensual
Soft	Beautiful	Intimate
Rolling	Organic	Relaxed
Interesting	Spiritual	Nontraditional
Graceful	Delicate	Continual
Serene	Casual	Pleasant

What is.....

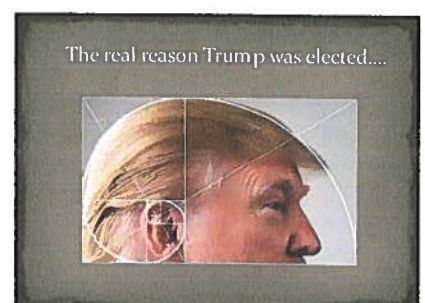

art /art/ noun
 the expression, process or application of human creative skill and imagination, to deliberately arrange elements in a way that appeals to the senses or emotions typically in a visual form such as painting or sculpture but includes music, literature, film, theater, and landscaping.

natural /nætʃ(ə)rəl/ Adjective
 existing in or caused by nature, not made or caused by humankind.
 Noun: a person regarded as having an innate gift or talent.

landscaping /lændʃə'ki:pɪŋ/ noun
 the process of making a yard or other piece of land more attractive by altering the existing design, adding ornamental features, and planting.

Elements of a natural landscape
