*And the Demise of the Democrats*

*The American 'Left' is fully exposed now as a Demented, Vicious, Abusive Animal of Traumatizing Narcissism. - Celia Farber*

The following is one's Reaction to Trump winning the U.S. Election. It is coming from a 3-Faceted Dimensional Perspective. One will offer a Political Science Point of View and from one who is a Migrant to the U.S.A., a Naturalized Citizen. And lastly one's Response will be based in light of an End Times Biblical Worldview. If anything, one thought 'They' would steal the Elections again. But here is what one stated to others that asked. 'If Harris does not win, then perhaps it is because they Cut a Deal with Trump'. Remember, Trump was the one that rolled-out the Military to implement the COVID Kill-Shots and told People to take them.

Trump is for Pro-Abortion Rights, by States, Pro-LGBT Agenda, a Pro-2 State Solution that will divide the Promised Land, etc. Trump is a Populist though but ran with the Epstein Crowds. Sure, he is no 'Saint' and everyone has a Past. One does not like that Trump had associated himself with Elon, i.e., Mr. Baphomet wearing the Suit of the Luciferian Conqueror with Upside Down Cross, etc. Trump and Elon seemed to one, that they were channeling the Spirit of the Type of the AntiChrist and False Prophet that are to emerge in the Last Days. No, Trump is not the AntiChrist nor is Elon.

They are too Old. But Trump and Benjamin Netanyahu might very well prepare to hand-over the Keys to the City of Jerusalem to the real AntiChrist. Perhaps like Reagan, the Assassination Attempt may have altered his Disposition about GOD, Jesus and his Mission now. Let us hope so. This Republican Win will put the Rapture still far into 2025 then, in one's Estimation. Why? There is yet a call for the 'Peace and Security' that determines the Rapture Event. So, it very well might be Trump that may pull-off this off, as the Abraham Accords will be rekindled.

And that means that for the Saudi Arabians and other Muslim Nations to join, a State of Palestine has to be carved-out from Israel. It will be forced upon them. It could be the 'Peace and Safety' but then Sudden Destruction Scenario that triggers the Rapture. This is the Key to the Timing of the Rapture Event, in one's Estimation. So, one's '723' Code of a July 23 which is one's only High Rapture Watch Month and Day' will be what one will next be looking forward to, if one makes it to that Point and Time. But from what one has read, it is that the Latino Men Vote showed-up, the Christian Vote showed-up. The issue was and is the Economy, Inflation-Price of Food, Fuel, Public Safety-Crime, the Open Border and Endless Billions sent to Endless Wars.

## **This Election Win was like a Soccer-Bunch**

When that is the case, issues like Abortion, Gender Equality are not as pressing in comparison, relatively speaking. Like Elon's Mother, for example. Elon publicly stated that she turned Republican when 1 of her Good Female Friends, both being Democrats, got Soccer Bunched in the Face in New York City. There is nothing better than to knock the Democrat out of a Person with a Fist to the Face from Thugs the Democrats protect.

That type of Crime can turn a Person into a Republican really fast, as in the case now of Elon's Mother, go figure. So, what does this Trump Win mean for the Body of Christ? The Divine Mandate still is in play. The Commission is still to be completed. Perhaps this might be a small Reprieve but it is Robert Kennedy who stated, 'I did not leave the Democratic Party, it left me'. One is quoting Robert Kennedy Jr., as he exposed the Democrat Party for what it has become, as listed by Robert Kennedy Jr., in this Video Link below.

### ***RFK JR.: I DIDN'T LEAVE THE DEMOCRATIC PARTY, THEY LEFT ME***

*Former Presidential Candidate Robert F. Kennedy Jr. explains why he left the Democratic Party*

<https://www.foxnews.com/video/6363919729112>

The Democratic Party has been a Victim of its own Success or rather Demise. It got exposed for what it has become, as will as their Media Class that pandered their Misinformation and Misrepresentation. In terms of a Constitutional Republic, one would have thought that it is the Democrat Party that would best exemplify this 'Sacred Institution'. Wrong. How can you 'Select' a VP Nominee, undemocratically and extol the Virtues of a Thriving Democracy? It is all rigged.

Harris was propped-up. She is a Product of DEI, Diversity, Equality and Inclusion. Some have stated it stands for 'Did not Earn It'. True. Enough Americans have seen through the Facade of the Falsity of how the Democrats have pandered to the Lunacy of the Left and how the Nation is tired of their Identity Politics. But the Rapture is still on Schedule. It is yet to be determined but will occur, at the Right Time. World War 3 is right on schedule. The Transfer of the New World Order and their Luciferian Reset is going to occur, Trump or no Trump. It is just that the Restrainer is restraining a bit more. In Harris' Concession Speech, she invoked 'God' as part of who she said she has relied on, but one is convinced it is not the GOD of the Bible. It is the Democrat 'God' whom they have made in their own 'Image and Likeness'.

This Democrat God is Pro-War, Pro-Censorship, Pro-Surveillance, Pro-Palestine Terrorists, Pro-Abortion, Pro-Big Pharma, Big Agra, Big Banks, Globalist and Luciferian to the core, etc. Then she states that she is not 'Loyal' to a President but to the 'Constitution'. What Gaslighting. It is the very Document the Democrats are seeking to destroy and is getting in the way of their Luciferian Reset and World Order. What is 'Wild' is that Candace Owens has investigated the Family Background of Kamala's Jamaican Father, a Devout Marxist, and Indian Mother. Her Mother, it appears, worked in Canada, in the Jewish Hospital that was connected to the MKUltra CIA Project. And is it or was it no Coincidence that San Francisco is the Hub for such Clandestine Military Experiments?

## **A Freudian Slip**

If what Owens has discovered is True, it makes perfect sense as to who Harris is. Such was the case also with Obama's Mother. They are essentially 'Manchurian Candidates', Sex Slaves, etc. Kamala Harris was the California State District Attorney for 13 Years. She was given her 1st 2 Jobs by Willie Brown. Harris was his Mistress, publicly knowing that Brown was Married. Brown appointed her to those Positions. Those High-Paying Tax-Payer Paid Salary Positions were neither earned nor merited by her.

## **MONTREAL MKULTRA EXPERIMENTS**

*The Canadian Encyclopedia*

<https://www.thecanadianencyclopedia.ca/en/article/mkultra>

It was because of other types of 'Favors' Harris allegedly provided Brown with. And as the District Attorney, what did she accomplish? She sent Parents to Jail for the Truancy of their Children not attending School. For example, under this Law Directive, Kamala arrested a Single Black Woman with a Disabled Middle School Girl. The Daughter missed some Days of School to attend Therapy and have Doctor Visits, etc. The Mother lost her Job, they lost their Home. They became Homeless. Did Kamala Care? No.

This Woman is the Embedment of the Spirit of Jezebel. Imagine what she would have done to the USA as a whole if she became President, 'With the Swipe of my Pen?' Or perhaps it would more appropriately have been a Wand. And it was not about helping Students get to School on Time. It was about Money. Anytime a Student is not at a State School, that Absence is noted in Lost State Revenue for the State and the School, etc.

And now in California, thanks to another World Economic Forum Graduate of the Global Leader Initiative, Gavin Newsom, Children, who are Minors and are confused and are struggling with Body Issues, Gender and Sexuality that seek Medical Operations to remove Ovaries and Breasts, for example in Girls, and whom will never be able to bear Children, if their Parents object, the State now has the Legal Law behind them, like Harris did to forcibly remove that Child from their Parent's Home and go through with the Surgical Mutilation. These are Children, Minors. It is Pure Evil.

## **MAHA ALLIANCE**

<https://x.com/MAHAalliance/status/1849965434898161672>

However, as many have said, 'All Politics is Local'. This is True in the sense that what really impacts a Local Community is the Vote on the various Measures that are on the Ballot that directly affect one's Community. But at the Top? The Presidents are not 'Elected', they are 'Selected'. One is convinced and has experienced 1st Hand how those behind the Curtain, the 'Wizards of Oz' who really control the Federal Government are placing their Puppets just to 'Entertain' the Masses.

## **A False Dichotomy**

It is to have a semblance that there is indeed a Constitutional Republic. Not Really. And it is a Dichotomy. When the People get 'Fed-Up' of the Left, they vote Right. When the People get Fed-Up of the Right, they turn to the Left, etc. It is Pepsi-Coca Cola, Subway-Port of Subs, 24 Hour Fitness-Golds Gym, Ford-Chevy, Type of Paradigm that still pushes the Agenda forward of the Wizards, etc. So, now the America of 2024 has had it with the Lunatic Liberals that are Un-Democratic, Top-Down, Marxist, Globalist, Luciferian. What is the most Important Issues is not Blue Hair, Sex-Changes, Drag Queen Story Hours, or telling People where and when they can Pray, etc.

The Media is also the real Loser in this Election. It has shown its True Colors in how it is really the Propaganda Mouthpiece for the Left, without a Doubt. And True to Identity Politics, Harris was given the VP Nomination solely because of the Skin of her Color and Gender, not the Content of her Character. When running for President in the last Election, she failed to win any Primary and had to drop-out. In the 2024 Democratic Convention, no Delegates were allowed to put forth a Contender other than Kamala. One 'Thing' is more True. Jesus warned that just before His Return, the Number 1 Issue characterizing the World would be Deception.

And the American Media Class has been Front and Center in this Luciferian Endeavor. For the last several Decades, they have intentionally ignored the Plight of Every-Day Americans, well unless you are a Criminal, Child-Trafficker, Illegal Immigrant, BLM Black Lives Matter Burning-Down Protester, ANTIFA, Pro-HAMAS Palestine Protester, Drag-Queen Story Teller, Men participating in Women's Sports, etc., and the List goes on. But if you are a White American, and especially Male who believes in a Family, are of Faith, owns a Business or Farm, you are the 'Terrorists'. The Media ridiculed and does to this day about those Americans that are 'crazy' to worry about Chem-Trails, Toxic Chemicals in Injections.

They pushed the Fake COVID Hysteria Psyops. Fauci is even now saying all those that are 'Suddenly Dying' precisely because they took his Toxic Poison Shot is because they did not get the Shot. Such Gaslighting, such Deception. They screamed at Americans every night who were concerned about the economy, illegal immigration, or men in women's spaces, calling them bigots, racists, and uneducated. Hillary called them 'Deplorables'. Biden called them 'Garbage'. Might as well have called half of the USA, 'White Trash'.

Did the Democrats get upset because a Comedian at Trump's Rally called Puerto Rico a Floating Island of Garbage'. Well, it is like all of their Democrat-Run Cities. It is coming-out that what allowed Trump to Win, was indeed a Coalition of Voters. And no, the Pro-Life 'Gestapo' will not come to a Woman's Door to take them to jail for supporting or getting an Abortion. The Government will not force a Pregnancy upon one's Body. But in the liberal Country of New Zealand, they will Force Vaccinate you now. Harris stated in her Concession Speech, 'I do not want the Government telling me what I can do with my Body'. One would agree. And that goes the same for what Shot goes into one's Body that a Government is to mandate.

## **The 5th Column is the 4th Estate**

The Media Class, run-and-controlled by the Luciferian Wizards, behind the Veil failed at portraying the American Woman as Oppressed, Voiceless and Unrepresented when most Women in the Real World, outside the USA are really suffering Oppression, are Voiceless and are Unrepresented. And most are at the hands of Extremist Religious Governments run by Islam, i.e., Afghanistan. One would dare say, in comparison, the American Woman has nothing to complain about in that regard. In part, part of the Coalition that helped Trump win the Election were the Women. Perhaps in 'Secret' they voted in the Booth and Ballet for Trump. Why?

In a pure Psychological and Primordial Framework, Women, above all Desires and Needs, seek Safety and Security, thus a 'Strong Man'. This is True, in Society when there is an issue of Safety and Provision, as in a World War 3 having already started as Jamie Dimond, the JP Morgan Boss stated. It is about being Protected and Provided for. And in a Democrat World where World War 3 is leading to and the Cost of Living, Food, and Shelter is 'Going through the Roof', arguing about how to chop-out a Baby or Fetus does not pay the Bills at the End of the Day.

Mothers are seeing how they have lost influence and control of their Schools where they get arrested at their local School Board Meeting for objecting to Race, Gender Ideologies and Pornographic Literature being pushed in the School Grades for Minors. The 2nd Return of Trump was about a Mandate to stop the Madness and Insanity of the Lunatic Left that has taken over the Democrat Party like a Cancer. Mothers do not want Men in their Girls Locker Room or Bathrooms or Gyms, etc. They are not Bigots, Racists, or Homophones for objecting to such Social Engineering of their Children.

Now the Panic will sit-in for the Big-Pharma Companies. If Robert Kennedy Jr. gets a Position in the Trump Administration, one would only hope he goes after the Big-Pharma Mengele 'Angels of Death' who pushed their Kill Shots as 'Vaccines', Fauci, Birx, Francis Collins, etc. One would hope Steve Bannon will go after his Prosecutors as would Trump of those that tried to take him down in their Witch Hunt. Here is the issue that most Americans came to realize. Trump has already been the U.S. President.

Despite his Adultery, and shady Associations, America knew what to expect from him. What you saw is what you got. In other Words, Trump is at least Genuine and the 'Real Deal'. Although he comes from the Upper Class of New England he associates his Cause and Disposition with the Common Man, as in Male that the Left has Emasculated, Marginalized and nearly Destroyed. They seek to demolish the Family Unit that is the Building Block of a Stable Society.

That is the Issue at the Core of Communism and Marxism. It turns everything upside-down and destroys the Family, letting the State be 'God' and the arbiter of what is 'Truth'. Hello '1984'. The Lunatic Left hates the Family because it is Divine Design by the Creator, YHVH. It is about an Order of Function, Responsibility and Duties, Sex that determines Gender, etc. Despite the Left and Luciferian Attempt to Assassinate him, but in Body and the Courts, he has prevailed.

## **A Man of Means**

The Man and perhaps Women saw that if the Left, using the System, the Swamp can do to his Man of Means with his Billions, the Average 'Joe' or 'Jose' does not stand a Chance, up against a '1984' World full of Double-Speak, Propaganda and Despotism. At least with Trump, you know what to expect. He is a Straight-Shooter. On the other Hand, the Democrat Party has been exposed for what it harbors. It is Ideologically and Politically Anti-Christianity. It is the Party of Sodomy, Trans-Anything and Pedophiles. Evidence?

Did you all see President Biden photographed 'biting' an Infant in the Leg. Can it get any more obvious? Please. And these Types of Luciferians do eat Babies. Evidence? Refer to Pizza-Gate. It is not a Conspiracy. It is that bad. Is it any wonder how on their Watch, the Biden-Harris Administration has overtly allowed the trafficking of Unaccompanied Migrant Children at the Border? Consider the following Article based on a Report from their own Government Agencies. And yet with any Citizen or Person who references the Sources and its Implication, is 'Fact-Checked' as being 'Misinformation'. Seriously?

### **ICE UNABLE TO TRACK NEARLY 300K IMMIGRANT CHILDREN: DHS REPORT**

#### **EXCERPT**

*(NewsNation) — A new Department of Homeland Security (DHS) Report argues the U.S. Immigration and Customs Enforcement Agency (ICE) cannot account for Unaccompanied Immigrant Children at the Border.*

*On August 19, 2024, the DHS published a 14-Page Report revealing more than 32,000 Unaccompanied Children did not attend their Immigration Hearings between the Fiscal Years of 2019 and 2023. What's more, nearly 300,000 of these Kids that came across the Southern Border alone never even got a Court Date whatsoever.*

So, what to expect? The Powers-That-Be still hope for a Violent Backlash so the Federal Government can come crashing down on the Patriots and Populists. They will be deemed White Nationalists, Christian Fanatics and 'Dangerous', enough to call in the Military. This once Great Nation will fall, one is still convinced. It is slowly being sold-off and betrayed from the Inside. Remember that Betrayal comes from the Inside, i.e., Lucifer, Judas, etc. A lot of Suffering is coming before the Rapture. No, Food Prices will still keep rising. World War 3 is still a 'Go'.

You cannot have a Nation of Pride and Aborted Babies reaching now nearly 80 Million and the level of Sin and Depravity against Innocent Children trafficked and worse. At this Point in Time, it is not about 'Saving' America or making her Great Again. As a Titanic Metaphor, the only course of Action is to throughout any and all Life-Wafts to People to save as mean from drowning.

One has to be reminded that the Context of the Rapture is that of a Rescue from Pending Danger and Certain Destruction. The Typologies used over the Decades by End Time Students of Prophecy have those 2 examples especially noted, 'As in the Days of Noah', and as in the 'Days of Lot', etc. The rescuing from the Wrath occurred right down to the very Year, Month, Day, Hour and Second; No Sooner, No Later.

Thus, one is seeing that when the Rapture Event occurs, it will likewise reflect this Condition, Circumstance and Controversy. And that is? Well, Geo-Politically many People can and do argue that as Scripture even records, Circumstances and Conditions always exist on Earth that are Dire and Catastrophic. Sure. It is relative in the sense that on 1 Part of the World, full-on Wars, collapsed Societies and Natural Disasters are occurring on a Daily Basis. Then at the same Time, in other parts of the World, People are becoming Rich, taking Vacations and enjoying a Life of Luxury, etc.

But in a Spiritual Sense, one can vaguely and through a 'Foggy Mirror' or Window see what is really going on, in terms of the Prophetic Timeline. There are certain Key Time and Sign Markers that have been given and show or have appeared. Of course this is the challenge to interpret them correctly. Nonetheless, what has to occur, if one uses the 2 popular Events of Noah and Lot is what occurred. And that is what one wishes to highlight from both as to what has to occur as a Condition and Circumstance for when the Rapture Event will occur.

What presently sticks-out of the 2 Biblical Typologies is how both can be seen as a 'House' with the Followers and Believers of Jesus, the Redeemer inside. In the case of Lot, it is self-evidence. But in the case of Noah, one has to consider how the Ark, a large Rectangular Box, was like a 'House'. It is also based on how it 'Housed' the 8 Souls from a Prior World of Billions on Earth perhaps at that Time. And? Notice that the People of that Judged World recognized their being subjected to Divine Discipline or Judgment, as in Wrath.

In the case of Lot, the Sodomites, from the Youngest to the Oldest had to be blinded by the Angels to avoid Rape. But they were pounding on Lot's Door to 'Get Inside' and do harm. It was the same Principle with Noah. Once YHVH instructed Noah and his Family to enter the Ark, the Door was Shut and they waited for 7 Days. But as the Rain started to occur and water came from Above and from Below, as the Water Levels rose, the People likewise pounded on the House or Ark Door, to 'Get Inside'.

But as to the Trump Win? Perhaps YHVH is having and showing Mercy to 'Nineveh-USA' after all. Perhaps there is that Spiritual Threshold that has been attained. And now, it has allowed the Restraint to Restrain a bit longer as there has been a Measure of National Repentance. And thus, there has now been a National Reprieve and Revival of sorts. GOD (YHVH) Bless America. And America, Bless YHVH (GOD).

Make America Godly Again.
