The Parkside Place Advantage

Parkside Place can give you the advantages of independent living without the hassles of high utility bills, lawn care, home upkeep and property taxes. The U.S. Department of Housing and Urban Development (HUD) subsidizes the rent for qualified, low-income seniors ages 62 or older.

AMENITIES

Tenants of Parkside Place can enjoy common areas for

socializing, dining and meeting facilities, and a recreation lounge (second

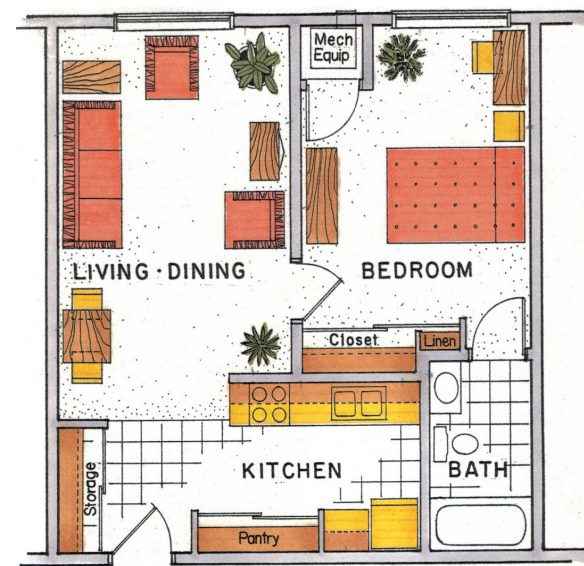

floor of Parkside II). Hop on the Prairie Spirit Trail just

west of Parkside Place, and find Garnett's North Lake Park with a new recreation center located one block north of the housing units.
