

Hello all -

We have been so HAPPY to see our students via ZOOM classes this week. The dancers and tumblers have been doing an Amazing Job! **We are SO Proud of them.** Please tag us on your Social Media post IG [\\_nfernodancecompany\\_](#) or via Facebook. We would love to see them continuing their dance training at HOME TOGETHER with US!!

**WHY SHOULD YOU CONTINUE WITH DANCE & TUMBLE LESSONS?** During this time when so much has been taken away from us due to this unforeseen circumstance N'Ferno is determined to move forward and do our very best to create some Normalcy for our

students. Many folks are skeptical about learning virtually. We are here to inform you that the students are still learning and moving forward. By offering virtual classes we can send you a recording of whatever class you missed (by request only). So now your child can never miss their lessons.

**It also a great way for children to connect with their friends during this time.** The children and our Staff has had so MUCH JOY in reconnecting with each other via ZOOM. Having some time to see and speak with their dance friends which is SO NEEDED right now! N'Ferno is committed to our students mental and physical health - and the development of their artistic and creative mind.

**N'FERNO FAMILIES WE ARE HERE FOR EACH OTHER TOO!** We are still offering 15 Minute **Complimentary** chats with myself (Ms. Kaniesha) or any Instructor. Set Up Your Zoom Call Today!

**I was pleasantly Surprised and Appreciative that a few parents set up calls to me speak with me on a one on one** - A moment for Us as Adults to check in on each other's

mental state, asking the hard questions like "**Are You Okay?**", offering ways to help and just to Laugh and Talk to EACH OTHER and share stories! To those parents, please know those conversations **TODAY** meant the WORLD to me - I have been so busy putting out fires I didn't realize how much I needed to just express how I am doing from one person to another. :-) **So, I THANK YOU for that and I am glad to know you're okay too.**

On another call one our lovely students taught me dance moves (a short Hip Hop combo). I hope I made her Proud being her student today and learning her choreography. She expressed how much she really misses school and her friends. She been doing all of her homework - I told her I was Proud of her and soon we all will be back together.

**WE STILL ARE TAKING COMPLIMENTARY CALLS -** SO PLEASE EMAIL  
ADMIN@NFERNODANCE.COM TO SET UP SOME ZOOM CALLS!

**ZOOM CREDIT REMINDER:** Now - April 30th we will continue to offer the **\$2.00 CREDIT** per completed class - *that may be applied to any of our Summer Programs (Summer Camp, Summer training, Private or Semi-Private lessons and/or our 2020-21 Dance & Tumbling Season.* **This means the student MUST complete each class to receive the credit.** So please be sure your child is taking their classes.

Instructors are taking attendance in addition to us reviewing the ZOOM registration. We surely look forward to seeing ALL of our dancers continue their training. We would hate to have all of their hard work and progress be in vain.
