**Weather:** Cloudy, 50s

Thanks to the Weather Channel traing from George Nolan many years ago, we got to play golf without getting soaked. We were supposed to play Cliffs at Mountain Park but the forecast was for 100% steady, cold rain. Using the Weather Channel predictive radar and Golf Now, we found Greenwood Country Club (90 minutes south). It rained all the way there and finally stopped as we got to the 1st tee. It didn't rain again until we were loading the car to return to Travelers Rest. During the round, it was the ALL Des Sinclair show on the Par 3's. He had 4 Greenies and a Birdie (on the 16th hole, he hit it to 1 inch). Mike Jeffries finished 1st overall by playing the steadiest all day.
