The applicant is to be heard at the White Township Zoning Board meeting on September 17, 2020.

EXECUTIVE SESSION

Chairman Niece announced that the Contract Negotiation/Attorney-Client Privilege portion of the Executive Session had been stricken as there was nothing to discuss. At approximately 7:36 pm, Mr. Scott moved, and Ms. O'Connor seconded to adopt Resolution #20-44, to enter into an executive session to discuss a personnel matter. All in favor, motion carried.

At 7:41 p.m., Mr. Scott moved, and Ms. O'Connor seconded to return to open session. All in favor, motion carried.

Chairman Niece announced that there were interviews conducted for a replacement for Pat Kaspereen who is retiring at the end of the month. The Personnel Committee recommended that Susan Wright be hired as the new Administrative Assistant at a salary of \$39,000.00 per year, with the office hours being reduced, by mutual agreement, from 8:00 a.m. to 4:00 p.m. to 8:00 a.m. to 2:30 p.m. with a half hour lunch. The Personnel Committee moved, and Mr. Scott seconded to hire Susan Wright as the new Administrative Assistant as stated above. The motion passed unanimously on a roll call vote.

CFO'S REPORT

Mr. Francisco summarized the monthly financial report. Our cash position was down because we made our final debt service payment for the year. We are 67% through the year; revenue is at 73%, expenses 62%. One line item, plant maintenance, is \$120,000.00, but it is at \$122,000.00 already. This year we had some exceptional items such as repairing the mixer in Belvidere which was over \$20,000.00 which is not a normal expense, installing the security door bell system, which was over \$4,000.00, bought a new John Deer mower which was over \$4,000.00, and had the generator serviced and repaired. The combination of all of that put it over budget; however other lines are well under budget so, overall, we are in good shape. We do not have to raise the budget on the maintenance line item because these were unusual events, which should not happen again next year. The last page is an accounting of the Jaindl escrow account, which has a good balance.

Mr. Francisco and Mr. Shoudt met with the budget committee to discuss the FY2021 Budget. We went over every line item and were able to reduce the appropriations by \$45,000.00 for next year. The consultant contract is \$20,000.00 less than it was last year and there is a decrease in debt service of \$25,000.00.

Last year, we lost the revenue from PCFA and Covanta closed and the other source of revenue is our interest income. There is about \$5,000,000.00 invested with CDs at 2% and Money Market 1.9%; however, since Covid the interest rates are down. CDs are now at .15%, so we are only earning \$600.00 per month. Revenue from interest is going down by about \$70,000.00. We decided not to raise the rates this year, which means we will be using an additional \$32,000 from our rate stabilization fund. Mr. Piazza explained to the public that even though Warren County MUA will not be raising its rates that does not mean that each town does not have the right and ability to raise their sewer rate.

As for the capital portion of the budget, Mr. Francisco mentioned some items for 2021, such as, the Belvidere Clarifier \$475,000.00, pretreatment screen \$185,000.00; the Water Street pump station improvement \$125,000.00; and Water Street inspection and evaluation \$60,000.00. For a total of \$845,000.00 for capital for next year. Chairman Niece advised that it is important for 2021 to do most if not all the projects because many have already been delayed.

Mr. Francisco summarized the changes in the budget from FY2020. Reducing the salary and hours for the Administrative Assistant position will save money. The \$33,000.00 for Accounting and Audit Service includes the \$5,000.00 to be paid to R&L Payroll. The \$65,000.00 for Mr.

Shoudt's Contract is a \$20,000.00 savings. The \$6,000.00 for uniforms is increased a little for the fifth operator. And the debt service will decrease by \$45,000.00.

Mr. Francisco then summarized the Revenues. Residential charges will be the same; however, the interest rate has decreased, which means we are using more of our rate stabilization funds.

Chairman Niece inquired about the Bond Series; Mr. Francisco advised that that will be retired in 2023 and \$325,000.00 will come off the budget.

Mr. Francisco presented a Resolution for setting 30 hours as the minimum number of hours required for the State Health Benefits Program, for consideration by the Board.

Robert Piazza moved to adopt Resolution #20-45, designating 30 hours per week as the minimum requirement for full-time status in accordance with NJSA 52:14-17.26 and NJSA 52:14-17.46.2. Laurel Napolitani seconded. The motion carried unanimously on a roll call vote.

GENERAL COUNSEL'S REPORT

As directed, Mr. Tipton's office reviewed the Personnel Policy. He distributed copies of the results of the review, which includes some new additions that should be considered and some amendments.

Mr. Tipton stated that the Contract from the third-party electric supplier contractor, Constellation, is standard.

ENGINEER'S REPORT

Mr. Donati's report was included in the agenda packets.

Sewer Extensions: No activities.

Operations: The Authority received the Draft of PCFA's SIU Permit renewal from DEP, now the Authority can submit comments.

Belvidere Pretreatment Screen: The TWA Application has been deemed Administratively Complete as of August 19, 2020, which means NJDEP has to take action within 90 days of that date (November 17, 2020).

Oxford WWTF Project: Notice Proceed was issued and documents were provided for local permitting.

Interceptor System Inspection Program: Preparing to advertise for Contract for Bids and will get it out within the next week.

AUTHORITY CONSULTANT

Mr. Shoudt recapped his report.

Belvidere: Still has not received a quote from Jack Shade and Bill Hodge regarding the new LED lights. Received a quote from Wire Electric for \$8,250.00. Still looking for more quotes.

Roof at the Water Street Pump Station was leaking. Warranty company was called and it has been fixed.

Oxford STP: The replacement of the doors has been completed and painting has been started.

Under General Business, Mr. Shoudt advised that a Resolution is needed for NJUA JIF Membership renewal and their 3 year agreement needs to be signed. We also need to appoint a fund manager. Will appoint the new Administrative Assistant as the fund manager.

Mr. Scott moved to adopt a Resolution #20-46, for renewal of membership in the New Jersey Utilities Authorities Joint Insurance Fund for three years. Mr. Nyland seconded. The agreement was signed by Chairman Niece and Mr. Chamberlain. The motion passed unanimously on a roll call vote.

At last month's meeting, Mr. Shoudt requested authorization to conduct a Reverse Online Auction with EMEX for Electricity Supply Services to acquire the lowest rate. The Reverse Online Auction was conducted earlier on that day and Constellation Energy was the lowest at \$0.07552 kWh for a 24-month period.

Mr. Scott moved, and Ms. O'Connor seconded, to adopt Resolution #20-47, for authorization to execute the contract for electrical supply services for 24 months with Constellation Energy. All in favor, motion carried.

R & L Payroll will not start until January 1, 2021. Pat Kaspereen will train both Susan Wright and Kevin Shoudt to do the payroll and Mr. Francisco and his staff with help to finish payroll out until the end of the year. Mr. Shoudt will obtain a quote from R&L as it gets closer to the beginning of the year.

Mr. Shoudt advised that we received a car from Warren County for one dollar. Would like to know how to dispose of the old Ford Escort. Chairman Niece advised to scrap the car. The Board agreed.

In December of 2018, we had a total phosphorus limit violation. DEP is trying to get the lowest possible settlement which would be \$1,000.00. The Board will be agreeable to the \$1,000.00 fine.

FINANCE

Mr. Piazza advised the Finance Committee met with Mr. Francisco and Mr. Shoudt and agreed to the proposed FY2021 Budget that will be presented next month.

Mr. Piazza moved that Resolution #20-48 (Certificate No. OP 409: \$51,792.72) be approved to pay all Operating bills, as presented. Mr. Scott seconded. The motion passed unanimously on roll call vote.

Mr. Piazza moved that Resolution #20-49 (Certificate No. CI 415: \$13,469.02) be approved to pay all Capital bills, as presented. Mr. Scott seconded. The motion passed unanimously on roll call vote.

Mr. Piazza moved that Resolution #20-50 (Certificate No. ESC 008: \$3,429.65) be approved to pay all Escrow bills, Mr. Scott seconded. The motion passed unanimously on roll call vote.

UNFINISHED BUSINESS

There was no unfinished business.

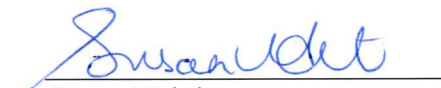

NEW BUSINESS

There was no new business.

PUBLIC COMMENT

There was public present, but there were no comments.

As there was no more business to come before the Authority, Mr. Scott moved, and Mr. Deutsch seconded that the meeting be adjourned. All in favor, motion carried. The meeting was adjourned at 8:18 p.m.
