- F. The parties shall share the costs of arbitration. However, the cost of a Court Reporter or mechanical recording device and subsequent transcripts shall be paid by the party requesting it.
- G. No bargaining unit member shall be allowed to proceed to arbitration, and the City shall not be required to process any request for arbitration, without the written authorization from the Coastal Florida Police Benevolent Association. To the extent permitted by law, it is understood by the parties that the arbitration procedure is the exclusive right of the Coastal Florida Police Benevolent Association.

ARTICLE 12
SICK LEAVE

- A. Employees of the bargaining unit shall accrue sick leave at the rate of twelve (12) days per year (8 hours per month) without limitation on the accumulation thereof. Upon termination of a member, for any reason other than discharge for just cause or for retirement, unused sick leave shall be paid at the rate of fifty percent (50%) of the member's unused accumulated sick time, up to a maximum of sixteen hundred (1600) accrued hours (payment for 800 hours maximum), provided the member has more than one (1) year of continuous employment. Upon retirement of a member, the unused sick leave shall be paid at the rate of seventy-five percent (75%) of the unused accumulated sick time, up to a maximum of sixteen hundred (1600) unused accrued hours (payment for 1200 hours maximum). No payment for unused accrued sick leave shall be made to a member who is discharged for just cause or who is terminated or resigns from employment with less than one (1) year of employment.
- B. Sick leave may be used for the following reasons:
1. Due to the personal illness or physical incapacity of the member, which would prevent them from properly performing duties of the position they are required to perform, or prevent them from performing related department duties in another position as approved by the Chief of Police, subject to the approval of a medical practitioner.
 2. For normal/routine medical or dental appointments when such appointments are for the member and cannot be scheduled on off-duty hours.
 3. Enforced quarantine of the member in accordance with community health regulations.
 4. Bargaining unit members required to leave their positions in order to take care of family members who are ill are permitted to use up to forty (40) hours of sick leave per calendar year, except in extenuating circumstances as approved by the Chief of Police and the City Manager.
- C. In cases wherein it appears that there is an abuse of sick leave, or where the member constantly uses sick leave as it is earned, the City may require the member to furnish competent proof (medical certification) of the necessity for such usage. Abuse of Sick Leave Policy shall be as follows:
1. Sick leave shall apply only to health conditions. Sick leave shall not be used for vacation or personal time off, and such abuse may result in grounds for discharge.

2. Use of sick leave which establishes a pattern that is substantially different from use by most employees will be considered as abuse.
 3. Employees out on paid sick leave are required to remain at their residence unless leaving to see a doctor or to obtain medication.
 4. The City will utilize the standard of substantial evidence to determine proof of abuse of sick leave. Substantial evidence is defined as what a reasonable mind might accept as adequate to support a conclusion.
 5. Continued abuse of sick leave shall be grounds for discharge.
- D. An employee who is ill or incapacitated so as to preclude them from reporting to work as scheduled shall notify the department of this fact as soon as practical prior to their next scheduled work tour. Such notification shall be given each day the member is unable to work, unless prior approval is granted by the Chief of Police or his/her designee.
- E. Sick leave will be charged by the actual hours used.
- F. Should an employee be absent, claiming sickness, and fail to comply with rules and regulations of this section, such employees shall then be charged with *leave without pay*. Sick leave shall not accrue during any leave without pay. For example, if an officer is charged with leave without pay or if an officer is suspended for any part of any calendar month, that officer will not accrue/earn a sick day for said calendar month.
- G. Upon return to duty from sick leave, the employee shall report to his/her immediate supervisor, if the absence was less than five (5) days. If the absence from duty exceeds five (5) days, Department Management will have the employee report for duty in accordance with existing policy.
- H. For absences of more than three (3) days, the City may require a statement from a licensed physician prior to a member's return to work.
- I. If a member accumulates more than 1600 hours of available sick leave, the member may elect to convert not more than forty (40) hours of sick leave to personal days. This time must be taken in not less than eight- (8-) hour increments, and will require that not less than 1600 hours of sick leave be available at all times. This personal leave will be considered to be the same as vacation time and shall be limited to 40 hours annually, based on the contract year, and may not be carried over from year to year.
- J. Terminating or retiring employees whose available sick leave has a value of greater than \$5,000

will be required to negotiate payment terms with the City Administration prior to receipt of accumulated sick leave funds. In the event no agreement can be reached between the employee and the City regarding payment, then the employee shall receive fifty percent (50%) of the funds owed in a lump sum payment, at the time of termination, and the remaining fifty percent (50%) in twenty-four (24) equal monthly payments. This payment term may be extended for up to thirty-six (36) additional months, at the choice of the bargaining unit member.

Terminating or retiring employees will also have the option to leave all, or a portion, of their earned benefit in the care of the City for the purpose of providing funds for the payment of health insurance costs as selected by the employee. This privilege will be afforded to the employee without regard to the amount of the earned benefit - but the employee will be ultimately responsible for the cost of health insurance upon the depletion of the earned benefit to the point where there are insufficient funds to cover the selected costs.

ARTICLE 13
BEREAVEMENT LEAVE

- A. Employees covered by this agreement may be granted, upon approval of the department director, time off with pay up to three (3) consecutive days in state and five (5) consecutive days out of state in the event of a death in their immediate family. The employee may begin the leave at the day of his/her choosing, but within five (5) days of the date of death. In the case of extenuating circumstances, a written request may be forwarded to the City Manager, who may modify the policy in his/her sole discretion if a hardship exists, which may include use of sick leave.
- B. The employee's immediate family shall be defined as the employee's spouse, father, mother, son, daughter, brother, sister, father-in-law, mother-in-law, step-parents, grandparents, and grandchildren; and the spouse's son, daughter, brothers, sisters, step-parents, grandparents, and grandchildren.
- C. Bereavement leave shall not be charged to vacation, compensatory time, or sick leave.
- D. Should an employee require additional time other than provided in Section A of this article, they may request the additional time from their department director. Upon approval by the department director, any additional time used may be charged to vacation time if the employee has hours accrued that can be charged.
- E. The City may require the bargaining unit employee to show proof of the necessity of bereavement leave.

ARTICLE 14
MILEAGE

- A. The City will reimburse employees who have authorization to use their personal vehicles for City business at the State-approved rate.

ARTICLE 15

Employees who perform jury duty for only a portion of a regular scheduled workday are expected to report to work when excused or released by the Court.
- B. If an employee is called for jury duty he/she shall promptly notify his/her immediate supervisor so that arrangements may be made for he/she absence from work.
- C. Employees on jury duty while on scheduled vacation may be allowed jury duty pay for that time served, provided they can present to the City Manager satisfactory evidence of the time served on such duty.
- D. The employee shall provide the department director with proof of jury duty service before compensation is approved.
- E. In the event a holiday shall occur during the period of the employee's jury duty, they shall receive pay for such holiday.

ARTICLE 16
VACATION PLAN

- A. The dates of vacation periods for the required number of vacations will be determined by the Chief of Police requesting the members to designate their vacation time during the first two (2) weeks of January each year. Seniority shall be the basis for establishing the priority for vacations at that time. Thereafter, should any member request a change in their pre-designated vacation schedule, it shall require the approval of the unit commander and the Chief of Police on a first-come-first-serve basis, regardless of seniority, provided that the change does not affect the manpower needs to achieve the department mission. Employees with twelve (12) years of service may automatically carry forward up to fifteen (15) days of vacation to the next year of employment. In addition, they may reduce the carry-forward to ten (10) days and be paid for up to five (5) days at their current rate of pay on the anniversary; however, qualified employees shall request this option in writing to the City Manager at least seven (7) days prior to their anniversary date, or the option is automatically null and void. In no case shall the carry-forward be for a period in excess of one (1) year.
- B. It is agreed that all employees in the bargaining unit will be eligible for vacation with pay, if they have been in the continuous employ of the City of Rockledge in accordance with the following schedule, retroactive to all service anniversaries occurring since January 1, 1998:

13 years through 18 years	20 (160)
19 years through 23 years	22 (176)
24 years and over	25 (200)

- C. Employees becoming sick while on vacation may use sick time for such period of illness providing a doctor's certificate is presented to the employee's department director and all procedures relative to sick leave are adhered to, particularly notice and confinement requirements.
- D. A request for compensatory time will take precedence over a request for use of vacation. A

request for vacation will take precedence over a request for use of a holiday.

- E. Upon termination of employment, the employee shall be entitled to compensation at straight time rate for any earned but unused vacation account at the time of termination. This section does not apply to employees having less than six (6) months service.
- F. There shall be no advancement of paid vacation. Payment of vacation time in lieu of actually taking vacation will not be permitted, except in two (2) special cases:
 - 1. Employees entering military service, and

Employees assigned to a standby duty as stated above are guaranteed standby pay of one and one-half hours pay at their regular straight time rate for each eight (8) hours increment of standby time assigned and scheduled. Standby assignments shall be made by Management in eight (8) hour increments, divided equitably among eligible employees. This shall not apply to the Criminal Investigation Division; however, persons assigned to the Criminal Investigation Division shall be on standby on a rotating basis, as assigned by the Criminal Investigation Supervisor.
