*Neighbors Helping Neighbors*

**Financial** We believe in supporting our own community. Therefore, we do not receive any government assistance. Our funding comes from family donations and community support through individuals, businesses and local churches. We are so grateful for all of our supporters and partners. Without you this ministry would not be possible. A special thanks to monthly supporters, Arbor Springs Baptist Church and Dat's Good, as well as individual donors and businesses who wish to remain anonymous. We appreciate your dedicated monthly financial support. Thank you for being servants of God.
