

Sandtown

Sandtown ain't jumping.
Season's at an end.
Boardwalk is closed;
And, the water is cold.

We we're building castles in the air.
We we're building castles in the sand.
In Sandtown.

Sandtown ain't jumping.
Vacancy signs are being hung.
The rates are down;
And, the tide is out.

We we're building castles in the air.
We we're building castles in the sand.
In Sandtown.
