## Welcome from the Tournament Director

The July Juggernaut is a unique tournament. Please familiarize yourself with all the rules. I will be going over everything verbally prior to the start of competition. Feel free to ask questions.

Please make sure you hydrate yourself during the tournament. Even though we are indoors, this bldg. gets very warm. Water is free as usual.

Make sure your equipment is ready for the tournament. Check all the nuts and bolts, arrows, string, etc. Make sure you have the appropriate number of arrows in their quiver. Hint, it is more than 3. Make sure your arrows are USA Archery legal.

### MOST IMPORTANT:

Public service announcement. You are 100% responsible for the accuracy of your scorecard. It does not matter if you were writing or inputting the scores on the tablet, calling arrows or assisting. You are responsible for it being correct. This is a State Championship, make sure your scores are accurate.

# How do I get there?

The Ben Avery entrance you need is NOT the one at the stop light. The entrance you need is the one closest to I-17. It is on the North side of the road about 1/8 mile west of I-17. There is a big sign.

From I-17, Heading west from I-17 take the first right onto the Ben Avery Shooting Facility Property and follow the road as it curves left. After the road is heading west, take the first right and another immediate right. You will see the bldg. on the right. Beige metal building.

From Lake Pleasant Parkway, Heading east form Lake Pleasant Parkway, go straight through the traffic light. You will come to the main entrance on your left. Nice brick sign. Enter. Go straight until the road itself curves left. After the road is heading west, take the first right and another immediate right. You will see the bldg. on the right. Beige metal building.

Be prepared for a lot of road closures this weekend. ADOT, MCDOT and the City of Phoenix are all doing road repair and expansions over the weekend. See [AZ511](#) for current road conditions the Friday
