

CE850 ELLIPTICAL TRAINER

The CE850 adjustable stride Elliptical Trainer combines our robust and compact front-drive elliptical design with the ability to customize your ideal stride motion from 18 to 24 inches. Our narrow 2" pedal spacing (Q-Factor), large cushioned pedals, and ability to simulate a walk/jog/run through electronically adjustable stride adjustment combine to give you the ultimate cardio workout for your users.

CE850 ELLIPTICAL TRAINER

- Electronically adjustable stride length from 18 to 24 inches in $\frac{1}{2}$ inch increments
- Multi-position hand grips with remote resistance and stride controls
- Dual track with shielded concave roller wheel system for superior stability and durability
- 2 degrees of inversion at each foot pedal places the user in an anatomically correct position
- 20 levels of resistance to satisfy the needs of beginners or advanced exercisers

CE850 CONSOLE FEATURES

As with any product, a major importance is the user interface. We focused on making everything easily accessible and comfortable: A storage tray for a phone, keys, or an MP3 player, ergonomically friendly pulse grip handles for a more natural hand position, and a turbo cooling fan to keep your clients cool and encourage them to work out longer. Our large, easy-to-read console gives your clients constant feedback from calories to distance to time.
