DDA All*Star Fish Fry

The Fish Fry Committee is pleased to announce that the fish fry put on April 21 was a success. The All*Start Team (94), the DDA Board of Directors and volunteers were the workers, and work they did. Attendance was less than hoped for, but all had an enjoyable time and partook of the fine food and beverages. The games generated much excitement as well as bucks for the All*Star team to use this fall for the annual Quad City Challenge in November.

The first thing that you noticed as you arrived was the fine facility. The Wayne Boosters Community Center was formerly a bowling alley which has been transformed into one of the finest facilities in the area for a function such as this. The building is large, clean and well equipped.

Many comments about the fine food proved that Ken Matlock & his kitchen staff along with the eats from Tom Patterson @ Foremost Seafood is a winning combination. The menu consisted of fried cod, baked dinner sausage, wings, french fries, baked beans and cole slaw. All of which was expertly prepared & served.

The gaming section consisted of black jack, seven card stud, showdown, chuck-o-luck wheel, over and under, video gaming and instant tear offs. Thanks to our sponsors, drawings were held for many bottles of adult beverages as the evening went on.

Profits for the evening were about \$700, which goes toward our trip to Columbus this November. A huge THANK YOU to all the individuals who made our first Fish Fry a success. We look forward to future endeavors to further support our All*Stars.
