SMPTO Monthly Meeting May 9, 2013 Iron Forge Educational Center Library Meeting started at approximately 7:05 p.m. and ended at approximately 8:45 p.m.

I. <u>Call to Order/Welcome</u>

The board with the exception of Shawn Knavel and Coralita Wilson, Dr. Adams, Mr. Boley, Mrs. Sunday, Teacher Representative, IFEC, Mr. Merlie, President, School Board and one parent were present.

II. <u>Principal Reports/School Board Representative</u> Mr. Boley, Principal, Rice Elementary & Mrs. Adams, Principal, IFEC

Dr. Adams reported that the end of the school year is busy, crazy and fun. IFEC students are taking a field trip to the State Musuem and 5th graders will be visiting local nursing homes. The 5th grade students will also be "Forging Ahead" the last week of school. That event is being planned by Mr. Barrick. Dr. Adams thanked SMPTO for teacher appreciation gifts and food.

On a separate note, Dr. Adams announced that during the next school year, IFEC students will no longer be rotating classes between two or three assigned teachers. Rather, students in 4^{th} and 5^{th} grade will be assigned to self-contained classrooms. The possibility does exist that 5^{th} graders may get to do some rotation during the second of half of the school year.

Mr. Boley also thanked SMPTO for teacher appreciation week and for the success of May Fair. Rice students are also taking field trips during the month of May. The 3rd grade students that will be "Bubbling Over" will have the opportunity to have a fun day going bowling and skating. Mr. Boley noted the school year has passed quickly. Mr. Boley also noted that Rice reached its "Million Minutes" of reading goal. As a result, SMPTO purchased water bottles for all of the students that participated.

- III. School Board Representative: Mr. Merlie thanked SMPTO on behalf of the board for their hard work throughout the year and hosting a successful May Fair. Mr. Merlie stated the SMPTO will play an important part in the coming weeks with respect to helping to shape the district's best interests.
- IV. <u>Open Floor</u> The Carlisle Swim Club contacted SMPTO regarding SMPTO sponsoring a night where families could visit the Carlisle Swim Club. The Carlisle Swim Club offered some available dates. However, given the short notice and all of the activities planned for the end of the year, SMPTO has decided not to pursue the Carlisle Swim Club's offer this year.

V. <u>Treasurer's Report</u>

Jen reported SMPTO has a checking account balance of \$29.176.97 and a savings account balance of \$15,013.79. In the past month, SMPTO had May Fair expenses, purchases of school supplies for teachers, purchased water bottles for the Million Minute Reading Challenge at Rice. Not all of the revenue from May Fair has been collected and counted. The food vendors still need to make payment to SMPTO. SMPTO members still need to be reimbursed for May Fair purchases. Jen noted the 2012 book sale at May Fair earned \$227.00, whereas the 2013 DVD/video game sale earned \$222.50. [It was noted that the work involved and trying to disperse of books not sold was extremely time consuming.] May Fair ticket sales were \$700.00, the bake sale sold \$547.00 and Spirit Gear purchases totaled \$494.00. SMPTO is still selling Great Wolf Lodge raffle tickets
