Dear Parent or Guardian,

During the school year, it is our intention to use several films that are designed to supplement the core curriculum. Some of these films may have an MPAA rating of "R" due to their subject matter and/or language.

This letter is being sent to you in compliance with the District policy requiring parents/guardians to approve the intended use of filmed programs in any format (including videocassette, 16mm film, DVD, CD-ROM, broadcast television or streamed file) which are owned, broadcast, or recommended by the District prior to their scheduled showing. As part of that policy, we ask you to complete the form below, authorizing or exempting your child from the video tape showing.

Students exempted from these showings will be required to complete an alternative assignment. Should you have any questions, please call Jason Garrison at (818) 345-0203.
