"It was our goal to create a location, with the finest vehicles for any occasion," Zaman says. "I didn't want our customers to rent vehicles found at ordinary car rental company's. Our definition of a luxury vehicle is a Mercedes C class at most. Don't get me wrong we rent that car often. At the same time, we aimed higher, to form a list of cars that would truly impress!"

Most Black & White Rent-A-Car clientele are looking for a replacement while their vehicles are in the shop; or want to test drive a car before they spend thousands of dollars to purchase it. "We want customers to get a 'feel' for the drive of the vehicle they choose and experience

something different, than the car that they drive to work and home everyday," states Zaman. "This is why we purchase the newest and finest performance luxury vehicles out there. Some of our newest editions include: "08" *Porsche Turbo*
