

# ESSENE CALENDAR COUNTDOWN 2025

## MILLENNIAL KINGDOM STARTING IN 2075?

*From the Crucifixion Year 32 AD*

The purpose of this study is to consider the Essence Calendar Calculation that the Year 2075 is when the Millennial Kingdom of the 1000 Year Reign of Jesus will commence. And that, how will that Year reconcile with the same Essene Calendar that also stipulates that in 2025, the Last Week of Daniel will close-out the Last Unah that concludes Daniel's 70th Week, Prophetically?

The Year Discrepancy is a Jubilee Year Factor of 50 Years of a difference, etc. One's Assessment in this Study is based on one's Calculation, presently of how one surmises that the 70th Week of Daniel, perhaps is to correspond to a Fall 2025 to Fall 2025 Tribulation Timeline. A Question was posed about the Fall 2025 to Fall 2025 Tribulation Timeline. It is based on Dispensationalism.

Meaning that since Adam, there have been periods of Time that have mirrored the Creation Week. In this case, 1 Day is 1000 Years. Thus, the 1st 6000 Years of 'Adamic History' and Age is to then conclude with the Sabbath Day or 1000 Years. This Notion is corroborated in the Book of Revelation where 3 Times, the insinuating Time Period is confirmed. Now the Question is, when will that 'Last Day' begin?

One has based this Fall 2025 to Fall 2025 Tribulation Timeline, primarily based on the Crucifixion Year. In one's Research over the Decades, one has come to be convinced that it was in 32 AD. There has not really been much Scholarship supporting this Year, other than the Late Chuck Missler. As of a few Years ago, however, subsequent Research has been primarily accomplished by Dr. Ken Johnson.

In his Work, he has referenced the Enoch Calendar, <https://dsscalendar.org/e/Enoch9.html> that supports a 32 AD Crucifixion Year. This is based on the Essene Writing found in the Dead Sea Scrolls, etc. Here is the Issue or Year Discrepancy if one uses the Fall 2025 to Fall 2025 Tribulation Timeline. Why? One's Research not only stipulates a 32 AD Crucifixion Year, but from that Equation, it also insinuates the Start of the Last Sabbat Cycle to Conclude Daniel's Prophecy of the Last Week. How so? Here is the Equation.

***32 AD Crucifixion Year + 2 Day Church Age (2000 Years) = 2032 – 1 Sabbath = 2025***

It so happens that one realizes also, in being shown Dr. Johnson's Work on this other Equation, that the Essenes also attributed the Start of the Tribulation in the Year 2025, sometime.

## **A Jubilee 50 Year Factor of Time**

One was informed that the Essenes consider the Start of the 7th Day or the 1000 Year Millennial Kingdom, which would be the Year 6000 AM, starting in March 2075 to March 2076. Why? It would be the 120th Year after Israel was 'Re-Born' in 1948.

*1948 Israel Reborn + 120 Years (40+40+40) = 2068*

But one would say, Wait a Minute. That is not the Year 2075. Correct. What it has been suggested to one is that to Reconcile the Equations, there remains 1 Count of 7 or a Sabbath of Years. It is not a Shemitah Count, but just a Sabbath one. Thus, the following Timeline Reconciliation of the end of the Dispensation of the Adamic Ages.

*2068 + 1 Sabbath (7 Years) = 2075*

Thus, the Question or Supposition. Could these Calculations corroborate with the Essene Calendar and Predictions that the 7-Year Tribulation would begin sometime in 2025 to 3032? It would appear so. And? But what about the Notion that the conclusion of the 6000 Year or 6 Days of Dispensational Time begins in the Year 2075 and not in 2032 then? This would be the Question and it is a Quandary to consider as the Year Difference is amazingly, only a Year Factor of 50 Years. How so?

*2025 + 50 = 2075*

This would factor-in a Jubilee Count of sorts. And another Thought one was suggested, based on this Fall 2025 to Fall 2025 Tribulation Timeline. It was noted that conversely, if 2000 Years from Jesus' Death and Resurrection is 2032 AD, then one can also just as much Reverse Engineer Year 1 of Adam. Now, many Bible Students, over the Millennia have attempted to ascertain the Year Creation was made.

There are currently several Timelines. One such popular Creation Timeline was made by Ussher. He deduced that the 1st Day of Creation was October 22, -4004 BC. This Calculus, however, would mean that it would not reconcile with one's Fall 2025 to Fall 2025 Tribulation Timeline. It is because going back 6000 Years from 2032 AD takes the Timeline to -3968 BC. This is very close to other Timelines that suggest a -3972 Creation Year, just the same.

These have been one's Thoughts and Considerations about the Topic. One is very intrigued by how there is that 50 Year difference from 2075 to 2025, when the Essence Calendar surmises the Tribulation to start. One can see the 120 Year Factor from 1948. The 120 Year Factor is a very Biblical Number Reference that comes to play in the Flood of Noah and when the World was 'Reset'.

It is about a Reset that is coming in terms of the 6th Day ending and that of Israel's Redemption eventually also. It so happens that YHVH sees it fit to Converge them both. So, back to the Question and/or Discrepancy of the 50 Year Difference in that it is in 2075 that the 7th Day will commence, according to the Essenes. Here are one's Thoughts.

### **A Transition 'Gap' of Time?**

This is assuming one accepts the Essene Calendar and Timeline, which one does. But it is only as 2 Data Points on their Calendar corresponds with one's Research, that of the 32 AD Crucifixion Year and the 2025 Start of the Tribulation Period. Assuming.

---

- 1) One just finds it hard to believe that the Church Age will last that long for 50 more Years. As one has mentioned in prior Studies, that all the Generation of Jews alive in 1948 will be Died by 2075.*
  - 2) It can be the case that when Jesus returns in 2032, and specifically on September 11, based on one's Calculations, there can be a 'Gap of Time'. Realize that there will be such a Gap of Time as it is.*
  - 3) Consider that when Jesus Returns, regardless of what that Year will be, there will be a total of 75 Days of a Type of Intermission before a Transition then commences. This 75 Day Count comes from the same Prophecy of Daniel and is incorporated into the overall Equation. Although, most Bible Students really do not know what to make of it or where to put it.*
  - 4) It can be the case that Jesus could use this Jubilee 50 Year Factor of Time to Transition the entire Planet and People into the Millennial Kingdom. One had traditionally thought that the 75 Days would have been enough or would be enough for that effect. But what if the Transition lasts for 50 Years instead?*
- 

It is hard to determine the exact Year Count since Creation because there are so many Calendars to consider and how they Interphase. If one did reverse Engineer the 2000 Years from 32 AD, the 3968 BC is just 4 Years off from how others surmise a -3972 Start Year of Creation. Others have calculated a 7 Year Factor in that it is -3974 Year if there is a 3968 Year Difference, adjusting for the 1 Year BC to AD phase, etc. So, in this Calculus, one would be 'Missing' only 1 Shemitah of a Tolerance or Difference to contend with and 'Find'.

It would be the 'Lost Shemitah' in one's Estimation. But that is pure Conjecture. This would take into account then the 38 Year Difference from But consider that given all these Numerical Factors, the Tolerance now is just within 50 Years then. It would be that close. One would hope that is not the case as one doubts one would be alive to experience the Rapture Event. One has hoped that this Generation will be the one not to experience Death and just walk into Eternity at the Point of the Rapture Event.

But it is always Good to crunch out the Numbers, possibly. Nothing wrong with that. One does suspect that with the Calendar Conversions and adjustment and even 'Manipulation', one does not really have the Years down to definitely know with 100% certainty that they are Sound and Valid. But 50 Years compared to 2000+ Years is a 'Blink of an Eye', as they say. How here are some further Suppositions and/or Thoughts on how to possibly reconsider the Jubilee Factor of 50 Years from 2025 Start of the 7-Year Tribulation of Daniel's 70th Week to 2075 Start of the 7th Day 1000-Year Millennial Kingdom on Earth.

## Destroy This Temple

Again, one is surmising that one is accepting of the Essene Calendar and Calculation as being the more 'Accurate' Rendering of how History is to play-out or is playing-out. Realize that based on the Fall 2025 to Fall 2025 Tribulation Timeline, one could just as much argue that what about the Time from when Jesus is to Return, and then count from there? This would be the following Equation.

*2032 Return of Jesus to 2075 Start of Millennium = 43 Years*

But note that it is just a Difference of that 7-Year Factor of the Last Prophetic Week of Daniel that concludes Israel's Disciple, etc. So, have that in Mind. But here is another Biblical Inference that one has pulled-out in going over the Gospels.

Took 46 Years for the Temple to be built. Assuming conversation occurred in the 46th Year, one will presume a 46.5 Mathematical Factor. If this was the 1st Year of Jesus' Minister of also a presumed 3.5 Year Duration or 1260 Days, then the following. Realize, as mentioned in all prior Research, that when Specific Numbers are mentioned in Holy Scripture, they are Prophetic in Nature, Meaning and Inference. Consider the passage where Jesus was Contending with the Priests and Elders of Zion regarding the Temple

*'On account of this, the Jews demanded. What Sign can You show us to prove Your Authority to do these Things? Jesus answered. Destroy this Temple, and in 3 Days I will raise it up again. This Temple took 46 Years to build, the Jews replied, and You are going to raise it up in 3 Days?... But Jesus was speaking about the Temple of His Body'. -John 2:18-20*

Does one see the Discrepancy of how there are overlapping Innuendos and Assumptions occurring at the same Time? There is an Earthly and Spiritual Connotation and Interoperation going on. There is the Perspective of the Elders of Zion and then that of Jesus. And consider that in this Context, there is a 'Gap of Time' insinuated regardless. This is inferring to the Death and Resurrection of Jesus.

It took a Period of 3 Days. It was not 'instantaneously'. This is the Point, in that in regard to the 50 Year Jubilee Discrepancy that could play-out from the Start of the 2025 Tribulation Period to the 2027 Commencement of the Millennial Kingdom could be just that, a Process. And what if one uses this 46Th Year Prophetic Time-Piece? Consider the following Calculus. This is only suggestive in helping to reconcile the Timelines.

*46.5 Year Factor of Temple Refurbished + 3.5 Ministry of Jesus = 50 Year Factor  
2025 + 50 = 2075*

Here is where one can possibly ascertain when and where, the Year 2075 would start the 1000 Year Millennial Kingdom on Earth. The Year Difference of 43 Years would occur then if 2025 will be the start of the 7-Year Tribulation Period with the Return of Jesus in 2032. Is all this possible? Yes and No. Time will only Tell the Truth, as such Theories can only be Tested in such a manner. On this Side of Eternity and the Rapture Event, one only Sees in Part and Knows in Part.

## Books

### **END OF THE CHURCH AGE**

#### *Conclusion of the Commission*

A study of the astronomical and Mathematical Patterns heralding the End of the Church Age and the coming Transference of Testimony and the witness of the Gospel of Jesus Christ. The 7-year Sabbatical Cycle of time suggests that the Church Age is about to conclude and transfer the Gospel Witness back to the Dispensation of Israel to finish the 70th Week of Years. This specific time is predicated on the Convergence of several Prophetic Timelines will be presented to highlight this time of the Synchronization of Biblical prophecy.

### **DAYS BEFORE THE RAPTURE**

#### *The Great Escape*

The purpose of this book is to chronicle the last days leading up to the Rapture event and what that will look like. There will be a variety of topics discussed and presented from political, social, religious and esoteric sources in the context of how they contribute prophetically to the timing of the Rapture. It would appear that the world is vastly different now and going through an apparent 'reeducation, redefinition and reset'. The book will consider how the present transformation of Humanity will see it come through on the other side of the Rapture.

### **70TH WEEK OF YEARS**

#### *Coming Tribulation Period*

The purpose of this Book is to provide a Comprehensive Study of the Political, Social, Religious and Biblical Factors demonstrating just how close the End of the Church Age is and ready to Transition into Daniel's 70th Week of Years to include a time of 'Great' Tribulation for the World and Israel where Faith will be under Fire. The Last Sabbatical Cycle of 7-Years will be the most intense time in Human History. For details and the way to 'Depart' or escape from such a Time, refer to the Book of Revelation. His Name is Jesus.

## **CRUCIFIXION**

### *Circumstantial Evidence why it was in 32 AD*

When was Jesus Crucified? Was it in 30 AD? 31 AD, or 33 AD? This has been 1 of the most Profound Questions, that has been Debated since the Church Age started with Jesus' Death. Can the Year and the Week Day be Determined? Is there any Evidence to suggest a More Accurate Year and Week Day? The Research one is providing in this Book, is one's Best Attempt in Showing why one is More Convinced of a 32 AD Crucifixion Year. One is not attempting to 'Convince', or to 'Prove' the Year, as that is beyond one's Ability.

## **PENTECOST NEW WINE**

### *Summer White Wheat Wedding*

The purpose of this Book is to provide a Compilation of Articles over several Years of 'Discovery into the Journey of Identifying where and when the True Count of Leviticus 23:15-16 occurred, i.e., the Feast of New Wine, precisely at a 99th Day Count. The challenge that his Book tackles is what is the Start Date? Why? This initial Start Date will determine the exact Day in which the Feast of New Wine, and thus the Pentecost of Acts 2 occurred. The Book will present Evidence that there are at least 3 main Theories based on differing Calendar Start Dates.
