

I Want To Share! But, Shhhhhh!

Rachael Martin 8,01,2016

Matthew 9:27-31 - When Jesus departed from there, two blind men followed Him, crying out and saying, “Son of David, have mercy on us!”²⁸ And when He had come into the house, the blind men came to Him. And Jesus said to them, “Do you believe that I am able to do this?” They said to Him, “Yes, Lord.”²⁹ Then He touched their eyes, saying, “According to your faith let it be to you.”³⁰ And their eyes were opened. And Jesus sternly warned them, saying, “See that no one knows it.”³¹ But when they had departed, they spread the news about Him in all that country.

My mom and I have recently reunited (yay!!) and we have been sharing all that the Lord has done in the past year for both of us. One thing in particular that we both have been able to relate to is sharing what Holy Spirit gives us and or operating in the gifts He’s given us and yet at the same time being discreet so as not to give props to ourselves – and in all giving glory to God for His faithfulness and love. We both recall moments where we have been led to share a word from the Lord or pray for someone and move on and SOMETIMES we are blessed with knowing the amazing fruit of it where people have told us immediately after, later that day, or even the following week that the Lord confirmed the word or healed them.

We talked about praising God together and rejoicing with them. Then, weeks or months later – several more people come up to us saying that they heard our prayers were answered for someone or that someone was healed that we prayed for.....– THE LORD MOVED on the hearts of men and His power was shared and traveled through the communities.

What does it look like to go from place to place ministering and telling people I only do what the Father tells me to do – giving glory to God and not taking ANY for yourself? At some point doesn’t your worth have a place? My friend your worth is found in the grace and love of Jesus Christ Who is dwelling on the inside of you and Who equips you with all you need daily, moment to moment! Shouldn’t we be telling everyone that the Lord has given us a gift of healing or deliverance or prophesy and letting the crowds assemble to minister?

I believe WHOLE-HEARTEDLY that “a man’s gift makes way for him” – but it’s just that – the gift that makes the way – the Lord makes a way – the Lord IS THE WAY! I believe being obedient, and operating in the supernatural, births a platform for the Lord to get the glory and we should be careful not to put ourselves on that platform.

I want to encourage you all today, to share from the heart as your led and give God the glory for great things HE has done and will continue do through you and me! He will bring you before great men and women as you yield yourself to His direction because of His great love for all of creation. Be ready, many of you, if you haven’t already are starting to be strategically placed to move heaven in this day and hour.

Father, I thank You for Your great love for all that You create. Thank You for leading and directing our steps today and in this week to come. Lord I ask that You would show us if there are areas where we have tried to place ourselves instead of You placing us. I ask that You would give us grace to move back into a supernatural flow with You and be used to bring You glory and honor. Father I pray for favor over each one reading this today that You would protect the gifts You have given them and move them into the position You have for them to be mightily used to birth Your plan of salvation and freedom in Jesus Christ. I pray no more delay in Jesus name – no more distraction – no more temptation – no more stagnancy – no more oppression and no more confusion from the enemy in the mighty Name of Jesus – that Holy Spirit You would breathe RIGHTEOUS MOVEMENT over Your children today and cover them in Your strength and power – we ask this and believe for this – and give You honor – glory and worship You in all we do. Amen.
