

DURATION OF THE PHOENIX

LUCIFER'S ATLANTEAN CAPITAL GRID OF TIME ALLOTTED FOR WORLD ORDER

The 4 main structures at the core of the Mall of the District of Columbia, the White House, the Jefferson Memorial, Capital Hill and the Lincoln Memorial are at the ends of each arm of the upside-down Rosicrucian Cross. The Washington Monument is at the center point or hear of this Satanic charm carved out of the geometric configuration using sacred ley-lines that evoke the dark energies and magic of the Luciferian cult Masonic Lodges. The geometric configuration is set to counter the energies of the Christian Cross and witness the Nation has or once had. The Owl is set at the apex overlaid upon the Capital Hill as if rising from the East. The Owl is a symbol of that which can see at night and can rotate its head 360 degrees. These are signatures of Satanic possession and power. The Washington Monument is off-set and not in direct line with the White House or the Jefferson Memorial because this District of Columbia is not precisely modeled after a logical geometric grid but that of a Martian one, of Cydonia of the planet Mars. It is also aligned with the **Grand 33 Masonic Lodge** north of the inverted pentagram that also has a 13 step pyramid on top of its Lodge and a "G" shaped building next to it. The Masonic Coffin has a Skull and Bones preeminent, the numbers 555 -correlates to sacrifice and the Washington Monument's height in feet. The coffin is where the Grand Master -AntiChrist awaits the 'resurrection' metaphorically but literally after the Rapture of the Christian Body of Christ is removed from Earth.

If the DC map-grid is a star/time clock, then the Luciferians possibly point to a particular YEAR for the completion of this "Great Work" that is on the steps/years of the Great Seal of the US and Mall Pyramid...meaning that the identification and manifestation of the long awaited 'Architect of the Universe', Lucifer himself arrives with his Fallen Ones (Aliens?) on a specified year. The USA is being used by Globalists that rule the world to usher in their "Golden Age" NEW WORLD ORDER; at the expense of the USA. This will be done through an economic collapse/marshall law.

The God of Israel, the Creator GOD of Heaven/Earth sent a warning to America starting on 9-11 and its Luciferian leaders of the judgment to come. The judgment of the Land is tied to the divining of the Land of Israel. If and when Israel will be divided to accommodate a Palestinian State, the USA will be divided as well. There will continue to be increasing natural catastrophes that will weaken the nation.

The Luciferians mock all that is righteous, beautiful and godly. They mock the Cross of Jesus Christ because it was the instrument used to seal the eternal fate of their Master and Dark Lord, Lucifer. The Washington ley-lines are a depiction of this upside down cross that serves as a double meaning; to hide and reveal.

THE BLESSED HOPE

According to some End Time scenarios, the Rapture of the Christians – could possibly take place to coincide with the descent of Lucifer as and the "Restrainer" would be taken out before that 'YEAR' to let the exposed AntiChrist ascend to power and have free reign. This timing could also coincide with the USA having to be imploded in all aspects to resurrect the Luciferian NWO out of its ashes of the Old Phoenix. This is being witnessed NOW in the USA with the economy, education, military and the Presidency in dire straights.
