dancers make-up will be brown and neutral shades on eyelids with black or dark brown mascara. It is the responsibility of the parent to make sure their child's costume is altered to fit them appropriately. Please remember, these costumes are not custom made and are ordered to fit each child as close as possible. We will always try to exchange costumes (if time allows) but most of the costume companies do not keep extra costumes in stock.

REVUE REHEARSAL: All classes will run their routine in their weekly scheduled class the week of **May 17th – May 22nd in the White Theater.** Please do your best to attend classes that week. You will **NOT** need to wear your costume for this rehearsal.

RECITAL RULES:

- All dancers should arrive at Dance Industry precisely at their allotted time. Please review your attachment for details on your dancer's time.
- All dancers and parents will be required to wear a mask, fill out the QR code and have temperatures checked before entering the studio. If you have a temperature above 99.5 you will be asked to not enter the premise.
- ALL dancers will be assigned a dressing room (studio). They are to report to that dressing room as soon as they arrive. Staff and parent volunteers will be in the dressing rooms to monitor the dancers.
- All staff and parent volunteers will be wearing mask, as well as gloves when helping with quick changes for dancers with multiple routines.
- Your child will be released from the theater immediately following the show.
- Please keep in mind that your child will be performing on a stage with a mask you purchase through Dance Industry.
- All dancers must purchase tights and mask through Dance Industry's front office according to the style indicated by your instructor on the costume information sheet. **DANCERS MUST NOT WEAR UNDERWEAR UNDER THEIR COSTUMES. Tights are used for this purpose.**
- Turn off all phones and electronic devices and support all dancers with lots of applause!

RECITAL PICTURES: Recital pictures will be taken the week of **Saturday, May 8th through Friday, May 14th.** Pictures will be taken during each class time. We want to ensure each dancer is in the group photo and all those interested in individual photos have the opportunity to get those taken as well. If time allows, we will run each dance in costume but please know this is meant to be a special and fun day for the kids to try on their costumes and practice getting ready for recital. We will send out an email a week prior to review all proper protocols for picture day.

Recital Picture Forms are to be completed online only with a debit or credit card. Purchasers get to see all the images before placing their order. The orders are printed and shipped individually for each person – please note there will be a postage charge added. Siblings can combine into one order per family. Texas Traditions is in charge of all picture day and has no connection with Dance Industry or access to our systems for payment.

We will send a separate email to you as we get closer to picture week so you can be prepared to order accordingly.
