

## MONDO BAG SUPPLIES

192 2-1/2" squares      OR      48 5" squares

2 strips 2-1/2" x 30" for handles

1-1/4 yard fabric for lining the bag and handles.

Sewing Machine and general sewing supplies.

Neutral thread.

Fabric cutting scissors, large and small. The small will be used for snipping the folded, interfaced seams so the tips should be very sharp.

Rotary cutter and cutting mat, the bigger the mat the better.  
24" x 6" or wider ruler.

½ inch bow whip IF YOU HAVE ONE for turning the handles.

The guild will be purchasing the patterns and distributing them when we meet on June 2<sup>nd</sup>. The guild will furnish the fusible batting.

Please arrive and be ready to begin at 9:00 sharp. Get your electrical hook ups ready, HOWEVER, we won't be using the sewing machine until we fuse all of the squares onto the interfacing and we will need to use the table tops to do that.

We will bring more irons and ironing boards.
