Core Competencies

Although DOC Development, Inc. has the capacity to service many industries, our company's core competency lies in the Medical Industry. DOC Development, Inc. is a GSA FSS Contract Holder (V797P2103D) which means that we are a preferred supplier to the Federal Government. **DOC Development, Inc. is certified as a Participant in the U.S. Small Business Administration's (SBA) 8(a) Business Development Program.** DOC Development, Inc. is also a Prime Vendor for Cardinal Health.

Past Performance

DOC Development, Inc. has experience in supplying diverse branches of government throughout the country including Federal, State, and Local. DOC Development, Inc is a FSS supplier of American and Foreign based manufacturers which are compliant with the US Free Trade Agreement. We have two strategic supply locations in the Southeast, and a 70/30 Stock and Drop Ship arrangements with all of our manufacturers to meet and exceed the needs of our clients. We have also formed partnerships to provide Installation Services that require Licensed Mechanics to provide services such as Commercial and Residential Elevators, Stair and Vehicle Lifts, and Mobility Equipment Repair.

Differentiators

DOC Development, Inc. is proud to have set itself apart from conventional Medical Supply providers by utilizing our relationships with many manufacturers to provide quality care to our growing customer base. DOC Development has forged a relationship with *Medicool Health and Beauty*, which allows DOC Development to provide excellent **Podiatry Drills** and accessories. The drills utilize vacuum and hepa-filter technology to minimize airborne particles during use. *AG Industries* also has partnered with DOC Development to service the CPAP user with vital replacement respiratory items such as **Masks, Tubing, Filters, and Comfort Items** to help the user get a much deserved rest.

Product Line Card

DOC Development ensures that clients receive the highest quality products available in the market. We have successfully partnered with leading manufacturers to make certain that when you do business with us, you will receive fair and reasonable pricing. We are a leader in volume purchasing so the savings that we receive are passed to your bottom line. If you do not see the manufacturer or product you are looking for, please contact us. We are adding new products everyday!

DOC Development, Inc. is a Laboratory and Durable Medical Equipment (DME) supplier with extensive experience in servicing both Private and Federal facilities. Since 2001 our company has been providing products and supplies in four principal areas: **Laboratory and Medical Equipment and Supplies, Industrial and Safety Supplies, Janitorial Cleaning and Chemical Solutions, and Hospitality Wares.**
