

Look Healthy with Kandesn[®] Skin and Personal Care Products

Kandesn[®] is known not only for what it doesn't have, but for what it DOES HAVE!!

Top 10 Benefits of Kandesn[®]

- 1. Kandesn[®] products DO NOT CONTAIN - animal proteins or by-products. No pig grease! Nor do Kandesn[®] products contain petroleum products (with the color removed), such as mineral oil. Mineral oil and other petroleum products form a coating on the skin that prohibits your skin from respirating. That means the skin cannot absorb essential moisture and also cannot rid itself of harmful toxins. The results are usually clogged pores and skin that may actually be dehydrated. **Kandesn[®] products are not formulated with harmful ingredients commonly found in other skin care and personal care products. Sunrider International unequivocally states what ingredients are not used and used in Kandesn[®].****
- 2. Kandesn[®] products DO CONTAIN - Superior Natural Ingredients - Uniquely formulated with rich exotic herbs, emollients, plant-based extracts, and essential oils. Only Sunrider uses plant derived Squalane, a natural component also found in human skin with antioxidant and immune-stimulating properties, as their primary moisturizing emollient. Kandesn[®]'s Squalane is from the virgin pressing of olives (at 100 per lb. versus 50 cents per lb. for mineral oil or pennies per lb. for other oils). Other important nutrients include: cucumber extract, micro-encapsulated jojoba oil, millet seed extract, avocado oil, watercress extract, stevia extract, wheat germ oil, royal jelly, biotin, jasmine extract, pine tree bark, eucalyptus oil, lecithin, lettuce extract, plus other select herbal botanicals rich in essential anti-oxidants. **Kandesn[®] means 'Let your light shine through.'****
- 3. Kandesn[®] products are formulated in Sunrider-owned, state of the art, herbal food manufacturing facility. Kandesn[®] is not repackaged and private labeled, as are most cosmetics, but carefully created and supervised by Drs.
