

6" Channel Super-wide (B6)

Weight: 22' - 3,750 lbs
 Lengths Available: 16', 18', 20', 22', & 24'
 Deck Height: 26"
 Deck Width: 102" Rail to Rail
 97" Frame to Frame
 GVWR: 14,000 lbs (BP) 15,680 (GN)

Drive-over Fenders
 Our 1/4" diamond plate steel drive over fenders allow you to drive wide vehicles over the fenders to take full advantage of the deck width.

102" Deck Width
 The 102" rail to rail deck width of the Buggy Hauler makes it an excellent choice for hauling 4x4s, rock crawlers, trucks, and other vehicles that exceed the typical 83" deck width.

Side Loading Rubrail and Ramps
 Our standard Rub Rail, 102" deck width, and 12" x 60" channel slide-in ramps make side loading your ATVs or equipment a breeze.
