

# **AUGUST 6-8, 2021** **FAMILY CAMP –** **"EYE CAN!"**

## **What to Expect....**

For the First Time Camper. Parents bring the immediate family and rally around your child with a visual impairment. There will be separate programs geared towards visually impaired campers, siblings, and parents. Campers and siblings will enjoy traditional summer camp fun! Parents will receive guidance on raising a child with a visual impairment to be independent and capable! Sessions on accessibility, legalities, and the special education process will leave the parent knowledgeable in being the best advocate for their child's success.

**Camp is designed especially for individuals with visual impairments ages 5-12 years old**

**Adapted sports and camp activities**

**A unique "whole" family experience**

**"I can do anything, just in a different way!"**

**3 days of learning and fun for only \$100/Family!**
