**Today we have some of the smartest and creative children that has ever been known to mankind. From science and technology to entertainment and literature, our young people have blazed trails that had not been explored before. Unfortunately we are only scratching the surface of such amazing talent. Our goal and purpose is to ask our young people, What If? Then we let their creative juices flow!!!!**

## WHAT IF I WANT TO BE A CHRISTIAN?

### What is a Christian

A Christian is an individual who has accepted Jesus Christ as their Lord and Savior. They believe the following:

1. Jesus Christ is the Son of God
2. That he died on the cross for their sins and was raised from the dead
3. The know that they are a sinner and separated from God and that they only of being back reconciled with God is through accepting Jesus Christ
4. They know that they can not saved themselves

### How Do I Become A Christian?

The bible tells us that for God so loved the world that sent his only begotten son, that whosoever believe in him shall not perish but have everlasting life. It also tells us that If thou confess with the mouth the Lord Jesus and believe in your heart that God has raised him from the dead that you shall be saved. This is all it takes but you have to truly believe this and is the beginning of your journey that does not end. With your belief comes obedience. If Jesus is going to be Lord of your life then you must get with those who can help you understand what his word is and what it mean for you daily walk

### Now You Can.....

Just A.S.K.

1. **A**sk The Question
2. **S**eek The Answer within yourself first and then use your resources
3. **K**now and believe in your abilities

**Remember being Christian is your accepting Jesus Christ as your Lord Savior. Utilizing the A.S.K. process to help you get a greater understanding is great start as you began your journey. Utilizing your resources are so important in this journey but Knowing and believing is where it all starts.**
