

## Securing Social Security

Social Security is fairly simple provided you worked long enough to earn the required number of quarters and were never married. However, when you add two-income couples and/or divorce into the mix—both historically high among baby boomers—the decisions become very complicated. Making the wrong choices can result in less income for the rest of your life.

### Join our presentation to learn more about surprisingly complex situations including:

- When to claim Social Security benefits
- How being married, divorced or widowed impacts your benefits
- How to give your Social Security check a government-guaranteed boost
- How benefits for one spouse are affected based on when and how the other spouse files

This presentation will educate you on the many decisions involved in claiming Social Security, as well as their consequences, and provide strategies to maximize the benefits received.

**Hosted By:**  
George Bock III

**Firm:**  
Edward Jones

**Date:**  
May 14 2015

**Time:**  
6:00 PM

**Place:**  
La Parrilla Suiza  
1622 S Stapley Dr.  
Mesa, AZ 85204
