

**LETTER TO OUR LEGISLATORS**

February 22, 2020

Dear Assembly Member Angela Romero,

**I / We Oppose HB 90**

**HB 90** is an improper interference of the government into the practice of religion in Utah. It seeks to place limitations on a central practice of faith, thereby violating the freedom of religion that America protects for all people.

We agree with the intention behind HB 90, that we must protect children from sexual abuse. People of all faiths, and all people of good will must come together to create a culture and environment where children are protected and be safe. However, there is no need to violate religious freedom to do so.

Any law that violates the freedom of religion is wrong. Any government interference in the free practice of religion hurts all religions and all people of faith.

Thank you!
