THE MORAL LAW

There are different expressions of the moral law, all of them interrelated: eternal law - the source, in God, of all law; natural law; revealed law, comprising the Old Law and the New Law, or Law of the Gospel; finally, civil and ecclesiastical laws.

The moral law finds its fullness and its unity in Christ. Jesus Christ is in person the way of perfection. He is the end of the law, for only he teaches and bestows the justice of God: "For Christ is the end of the law, that every one who has faith may be justified."

Man participates in the wisdom and goodness of the Creator who gives him mastery over his acts and the ability to govern himself with a view to the true and the good.

The natural law expresses the original moral sense which enables man to discern by reason the good and the evil, the truth and the lie: The natural law is written and engraved in the soul of each and every man, because it is human reason ordaining him to do good and forbidding him to sin . . . But this command of human reason would not have the force of law if it were not the voice and interpreter of a higher reason to which our spirit and our freedom must be submitted.

Please remember those who face food shortages in our community. Your donations can be left in the narthex of the church.

MASS Intentions

Lord, help me to un-clutter my life,
To lead me in the direction of simplicity,
Teach me to listen to my heart,
Teach me to welcome change, instead of fearing it. I give you my discontent, my restlessness, my doubt,
I give you my despair, I give you all my longings.
Help me to listen seriously and follow wherever they lead through the breathtaking empty space of your open door.
Amen!

AUGUST, MONTH OF THE IMMACULATE HEART OF MARY

The Catholic Church dedicates the month of August to the Immaculate Heart of Mary and is often venerated with the Sacred Heart of Jesus and with good reason. Just as the Sacred Heart represents Christ's love for mankind, the Immaculate Heart represents the desire of the Blessed Virgin to bring all people to her Son.

BEREAVEMENT SUPPORT MINISTRY MEETING PLANNED

The St. Mary Star of the Sea Bereavement Support Ministry will meet on Sunday, August 21, at 12:30 pm in the Chapel.

SAINT LOUIS OF TOULOUSE Feast Day August 18

Louis was of royal background and showed early signs of attachment to prayer and to the corporal works of mercy. As a child he used to take food from home to feed the poor where he developed a special love for those afflicted with leprosy. Louis decided to renounce his royal title and become a priest. The Franciscan spirit pervaded Louis. "Jesus Christ is all my riches; he alone is sufficient for me,". Louis's service to the church was richly blessed. In no time he was a friar, a bishop and considered a saint. Louis set aside 75 percent of his income as bishop to feed the poor and maintain churches. Each day he fed 25 poor people at his table. When Cardinal Hugolino, the future Pope Gregory IX, suggested to Francis that some of the friars would make fine bishops, Francis protested that they might lose some of their humility and simplicity if appointed to those positions. Those two virtues are needed everywhere in the Church, and Louis shows us how they can be lived out not only by bishops but people of all walks of life.
