A Community Scholarship Fund

OUR MISSION: Our mission is to help make higher education more accessible to all members of our Utah communities *and* to assist individual students as they lift their educational horizons and expand their career opportunities.

YOUR SCHOLARSHIP FUND: We invite you, along with your family members, friends, neighbors, and work associates to support the **O2S** scholarship fund. Your entire community will benefit.

OUR "O2S" TEAM: We are all volunteers. The scholarship fund is sponsored by our donors. *Onward2Success* is a Utah non-profit corporation recognized by the IRS as a 501(c)(3) public charity. Your donations are tax deductible. Aside from covering our minimal operating expenses, all funds raised benefit the students we serve. The **O2S** scholarship fund does not discriminate based on race, color, religion or any other prohibited traits.

Our Supporters

We gratefully acknowledge support from groups and individuals who share these core values...

1 Inclusiveness and Accessibility. We truly appreciate the cultural diversity of Salt Lake City and the surrounding communities. We promote an inclusive process to make the benefits of higher education more accessible to all who recognize its value.

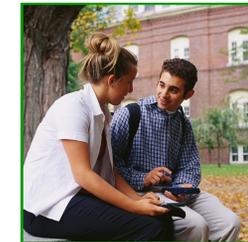

2 Sustained Prosperity for All. We hold an optimistic future vision for our Great State of Utah. We are committed to expanding the workforce to include more college educated and technologically-skilled candidates who are ready for the exciting new jobs coming our way.

3 A Spirit of Global Family. Many members of our communities have come here in recent years from lands abroad. Others of us have traveled to these same countries to work and to serve. We welcome opportunities to perpetuate the mutually supportive relationships we have developed.
