### **Biography**

Donald William Hall, 76, of Kinde passed away Monday May 22, 2023, at home after a bout with cancer. He was born at his home on October 2, 1946, son of Elizabeth (Running) and Howard Hall. Don graduated early from Kinde High School in 1963 so he could take over his family business, Hall's Service in Kinde, due to his father's health issues. Never wanting to completely retire, it was there at Halls Service that you could find Don working on just about any project people would ask him to fix or do until late 2022, when his health wouldn't allow it. Don spent his free time on his Gold Wing traveling the state and beyond, with his longtime partner of 25 years, Carol Haley, always by his side.
