Please know that we begin recruiting for summer positions in December and positions are filled on a "rolling" basis.

Multiple locations including North (Fairfax County) & Central (Richmond/ Charlottesville) Virginia. No experience required to apply! We train teachers, college students and content area experts on technology and instruction. You provide the desire to work with children using technology and creativity! Regional Supervisors MUST work for 7-8 weeks.

Qualifications

Regional Supervisors are enthusiastic, organized, and motivated individuals. They are confident in their ability to supervise instructors, as well as interact with students, parents, and program directors. All applicants must be 21 years of age or older and MUST HAVE a background as either a guidance counselor, school supervisor, 10-month

school administrator, or manager; OR are currently enrolled in a graduate program to become one of the positions above and are looking to gain experience. Knowledge of effective instruction is a plus.

Each new hire will be required to attend a paid Black Rocket training program during evening hours or on weekends. When training is complete, supervisors will be expected to have gained a general understanding of most content areas, scheduling, the Black Rocket Approach, company culture, and site policies. Training begins in April 2019.

This is a summer seasonal position and will be full time in June through August.
